UNIVERSITY OF ALBERTA

Foreword

ART HAS LONG BEEN REGARDED AS A MEANS OF MEASURING A NATION'S ACHIEVEMENTS IN CULTURAL MATTERS, AND ON THIS BASIS CANADA CAN LAY RIGHTFUL CLAIM TO A PLACE OF DISTINCTION IN THE FIELD OF CULTURAL DEVELOPMENT. CANADIAN ART WAS CHOSEN AS THE THEME FOR THE 1950 EVERGREEN AND GOLD BECAUSE OF THE IMPORTANT POSITION OF ART IN THE WORLD TODAY.

RECOGNITION HAS COME VERY SLOWLY TO THE MAJORITY OF CANADIAN ARTISTS. MOST CANADIAN ARTISTS HAVE BEEN SELF-TAUGHT AND HAVE DEVOTED THEIR LIVES TO THEIR PARTICULAR FIELDS OF ART.

ART HAS A GREAT FUTURE IN CANADA, FOR FROM EAST TO WEST ACROSS THE CONTINENT THERE IS VAST NATURAL BEAUTY AND COLOUR. TO FURTHER THE DEVELOPMENT OF CANADIAN ART THE DEPARTMENT OF FINE ARTS AT THIS UNIVERSITY HAS EXPANDED IN RECENT YEARS AND THE SUMMER SESSION OF FINE ARTS AT BANFF, ALBERTA, HAS BECOME AN IMPORTANT SPOT FOR ART ENTHUSIASTS. HEREIN, THEN, ARE EXAMPLES OF VARIOUS PIECES OF ART BY CANADIAN ARTISTS, SOME CONTEMPORARY AND SOME, WHO THOUGH DECEASED, HAVE LEFT BEHIND THEM A WEALTH OF BEAUTY ON CANVAS.

Contents

A black and white photograph of a scroll with text. The scroll is white with rounded corners and is set against a dark, textured background. The text is written in a bold, black, Gothic-style font. The scroll is partially unrolled, with the top and bottom edges showing a slight curve. The text is centered on the scroll and consists of eight lines of words, each on a new line. The words are: CAMPUS, ADMINISTRATION, STUDENTS, PERSONACITIES, ACTIVITIES, MILITARY, FRATERNITIES, and ADVERTISING.

PRESIDENT ROBERT NEWTON,
M.C., B.S.A., M.Sc., Ph.D., D.Sc., LL.D., F.A.I.C.,
F.R.S.C.

president's message

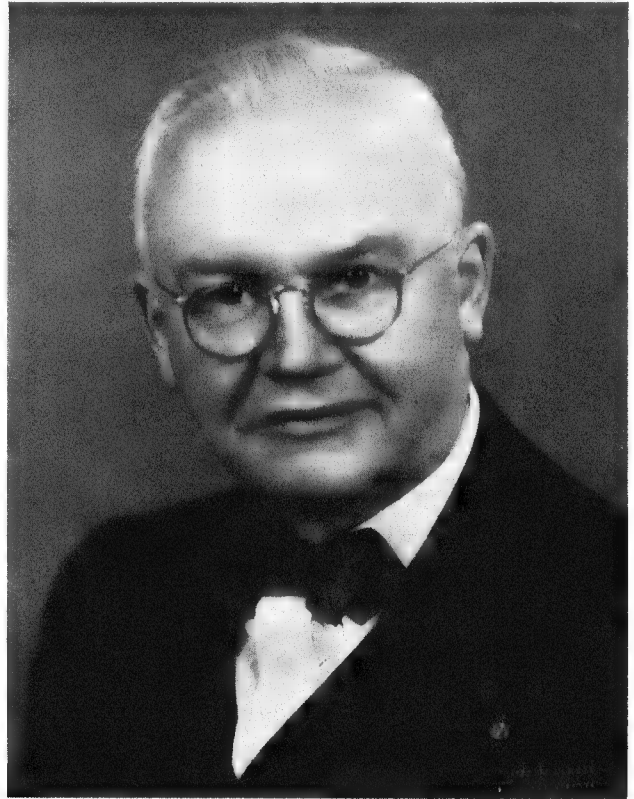

In opening a new country, we naturally give first thought to securing food, shelter, and the other practical necessities of life. Next we turn our attention to the development of the country's natural resources, in order to increase our wealth and improve our material standard of living. The third stage, which we must cultivate with equal assiduity if we wish to become a great nation, is to create a fine quality of life among our people. Here the fine arts have an indispensable role.

We are proud that the University of Alberta has given leadership in this field. For eighteen years our Banff School of Fine Arts has been a focal point from which radiated an appreciation of art. Students have gone back into their communities with their eyes opened to the natural beauty all about them, and with some knowledge of how to transfer their conception of it to canvas. They have infected their neighbours with their enthusiasm, and organized many community art schools, which our art staff foster by periodical visits.

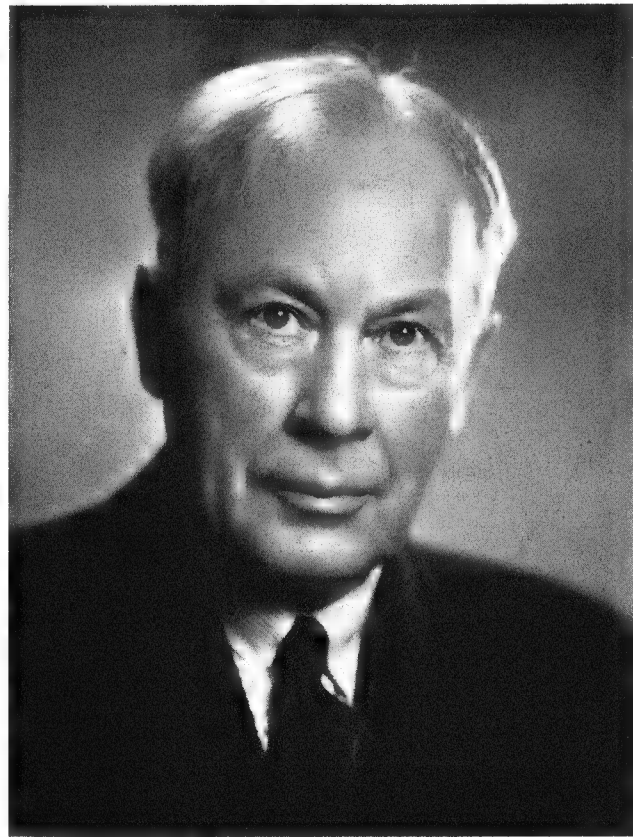

Our intra-mural Department of Fine Arts, giving courses in art, music, and drama for degree credit, has been at work five years, and has already established a creditable reputation. Our new buildings have a simple beauty worthy of a mature society. The bas-relief over the front door of the Students' Union building and the large mural panel in the Rutherford Library building, both designed by Professor H. G. Glyde, lend touches of rare distinction to the campus.

Altogether, U. of A. promises to make its unique contribution to the rapidly growing field of Canadian art.

Students' Council

"One of the most satisfying experiences in life is to see concrete evidences of the time and effort expended on various projects. From this point of view, I consider that all of the present students at the University have been more than amply rewarded by seeing the actual construction of the long-awaited Students' Union Building. We who are graduating regret that most of us will never have an opportunity of using the Building but hope that succeeding generations of students will use and enjoy its facilities. To those of us who have had the privilege of working directly or indirectly in the interests of the new Building, its official opening in the Fall of 1950, will, we hope, mark a new era in student life on our campus.

"I should also like to extend my thanks and those of the Students' Council for the many hours of voluntary time contributed by hundreds of students to make a success of the dozens of enterprises annually carried on under the auspices of the students' Union. Their work has made life at the University fuller and more beneficial."

MISS MAIMIE SIMPSON
HONORARY PRESIDENT

This varsity term will long be remembered for the expansion of medical facilities on our campus. Foremost in our interest is the addition to the University Hospital which will increase our capacity to one of Canada's largest. The Public Health Institute will open soon to house the provincial laboratory. The Nurses' Home will no longer be the sou'western outpost with the construction of the Aberhart Memorial Sanitorium. And every nurse trying to sleep during the day will swear that the work on the new wing of the residence is being completed with unusual vigor!

In spite of 3-11 shifts and late leave shortage, several successful functions were held. Just to be different, we rolled up the rug, put a kilt on Elmer, our skeleton for a "Scotch Hop" in the main lounge. The Annual Alumni dance was at the Troc and the graduation formal was held in the main ballroom at the Macdonald. Both was acclaimed "best ever"! Dr. McGugan helped us celebrate St. Valentine's day with a dance in the Mewburn Auditorium. The summer will bring a second outdoor dance, the "Tennis Ball", intended to show off our new courts.

Monthly meetings were much looked forward to with Miss Simpson, our honorary president, to help plan them. The parties afterward varied in theme from a "BAD taste" party to an evening of movies from our new projector. We were especially glad to have so many students from the campus come over for meetings.

Golden Key Society

Executive:

President: ALLAN ARMSTRONG

Vice-President: MARY MILLAR

Secretary: BARBARA HANSFORD

Treasurer: RAY THARP

A new organization on this campus this year is the Golden Key Society. Patterned after similar honorary societies at other Canadian Universities, the Golden Key is composed of thirty members elected by various faculties and groups on the campus for their outstanding work in extra-curricular activities.

The object of the Golden Key Society is to honor those people who have contributed greatly to campus functions, and, by doing so, to form a group closely related to all campus organizations for the main purpose of entertaining visitors to our University, thus eliminating the necessity of a social directorate.

The Golden Key's first big function was Alumni Homecoming and, thanks to the efforts of the Society, it was the most successful Homecoming yet held at the University. Over seven hundred Alums returned to their Alma Mater and were entertained by the Key at a Friday Homecoming dance with Freddie Slack and his orchestra, a Saturday afternoon coffee party, a Saturday night open house with a floor show and orchestra at Athabasca, and a Sunday church service, as well as taking in campus tours, a Mixed Chorus alumni party and a publications party.

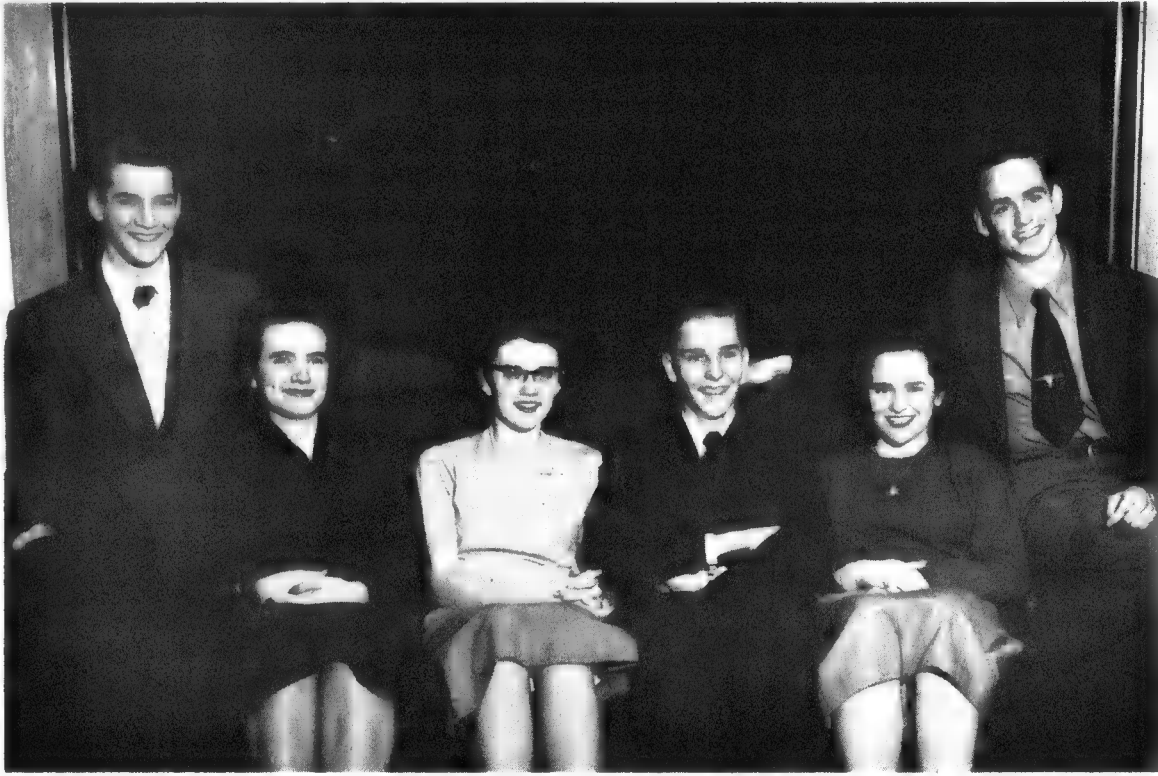

For the rest of the year the Key entertained visitors to the campus, mainly rival athletic teams. Approximately two hundred people were met, supplied with dates, taken to meals, and shown around the campus. By using a manager-of-the-month system, this task was spread amongst all the Key members, and they enjoyed the work very much as well as giving our University a boost in public relations.

In its initial year the Golden Key Society has made a successful beginning and has started to build the proper tradition for such an honorary organization.

E. DEPAOLI.....	<i>Treasurer</i>
H. GALVON.....	<i>Executive Member</i>
J. DIER.....	<i>Executive Member</i>
N. CARRIER.....	<i>Executive Member</i>

St. Joseph's College, centrally located on the campus since the growth of new buildings around it, housed one hundred and five students in the current year.

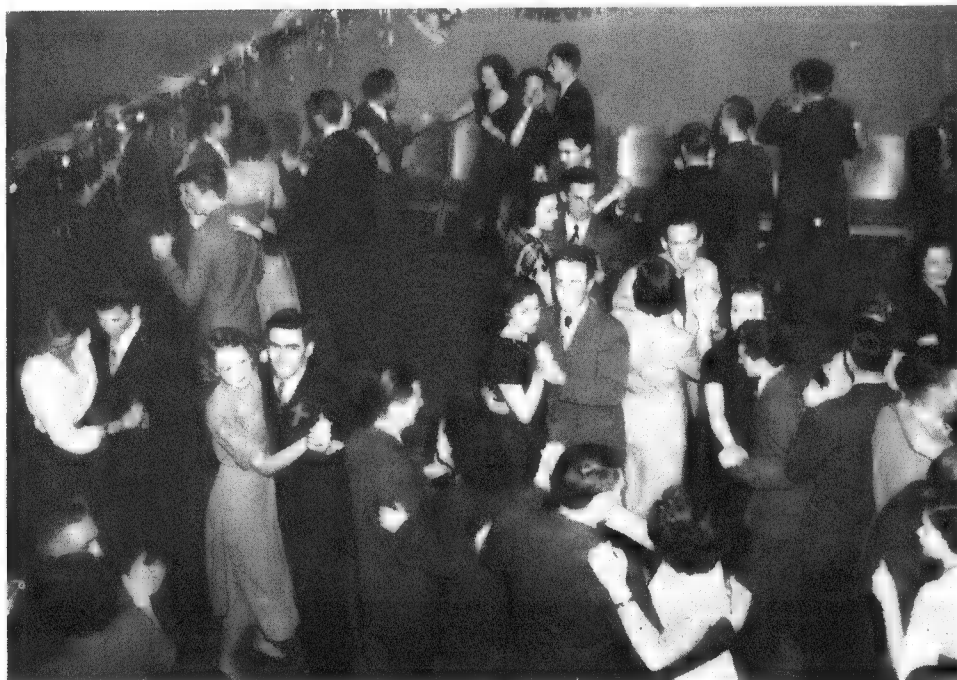

The boys have several conveniences available to them at any time—the chapel at one end, the library in the central part, and the gymnasium at the other end.

The gym is always busy with the badminton league games or with a lively game of the popular house-league basketball.

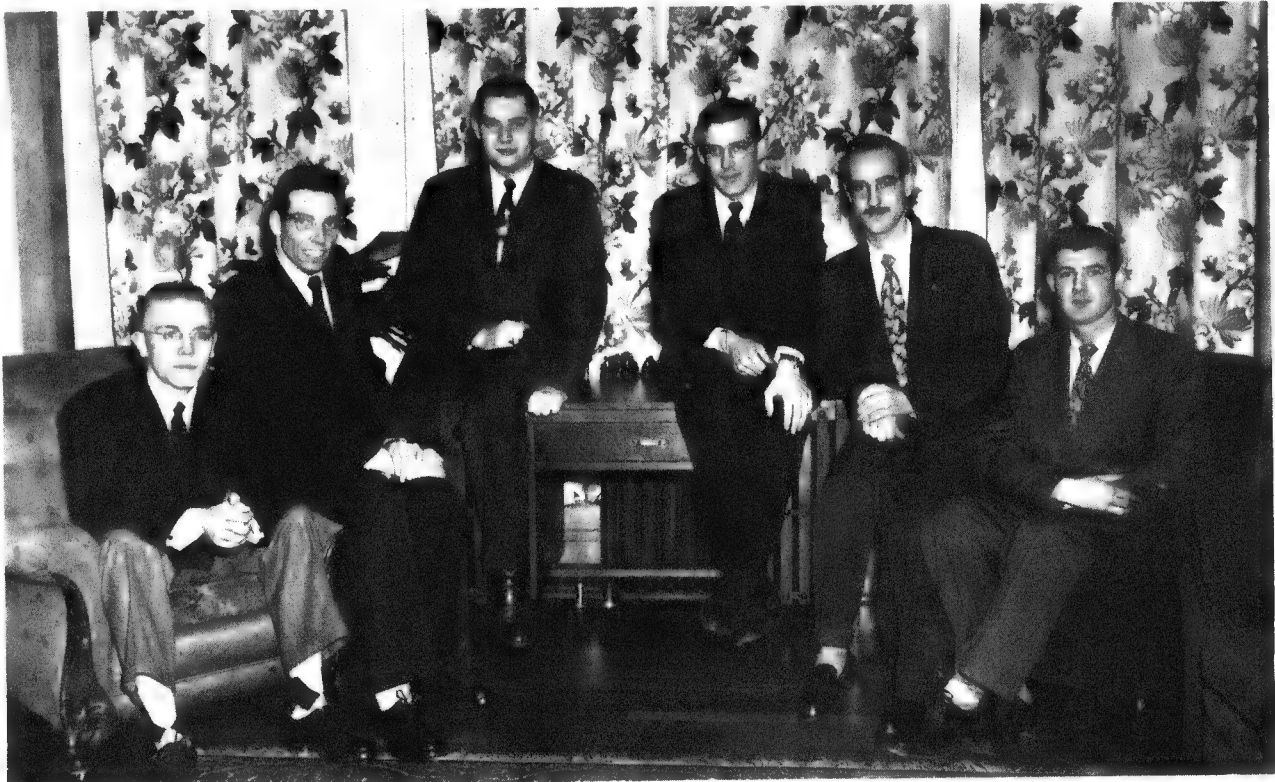

The Newman Club has its clubrooms in the basement, and they have been the scene of many an enjoyable "Newman Nite". The college is also the headquarters for the fifth year nurses, as well as for several philosophy and psychology courses.

As for "Little Tuck", the cafeteria, St. Joe's is thinking of installing lab benches so that the chemists won't have to go back to Med to finish their labs.

The fabulous formal, this year on a Spanish theme, was again a wonderful success, and was handled smoothly by the members of the house-committee with the co-operation of nearly everyone in the house.

Radio Society

Honorary President	ELSIE PARK GOWAN
President	STEVE SEARS
Vice-President	GLADYS ANDERSON
Secretary	PAULINE SUTERMEISTER
Business Manager	EVELYN MILLER
Sports Representative	JIM REDMOND

With increasing membership as the year progressed, 1940-50 has been another very active season for the Student Radio Society. Activities included six regular weekly programs; on-the-spot broadcasts of the Halpenny Trophy Hockey Series, the basketball finals, and various student dances; and broadcasts of the Music Club Concerts, the Mixed Chorus, the Ag Club Field Day and the CURMA Baby Show.

The Radio Society further exanded publicity services to all fields of Campus activity, making it a medium for campus-wide coverage close to that of the "Gateway".

As a mature organization, the Radio Society appealed to the Province at large and to the Provincial Government to reconsider the proposed sale of CKUA, "The Pioneer in Educational Broadcasting", for the purpose of maintaining and expanding the University's cultural and educational services on a standard that CKUA, alone, can offer to the people of Alberta. Submissions, one of which was presented to the University of Alberta Senate by Tevie Miller, were prepared by Bette Bothwll, on behalf of the Radio Society. Appeal to retain the radio station as a medium for University broadcasts arose from the firm conviction of Society members that with the University's present equipment and affiliations in the field of radio, our University *could* have the Radio School of Canada.

The heterogeneous interests of the six groups of the Society found a focal point in Hut H, under the supervision of Miss Margery MacKenzie. From here operators Norm Cooke, Verne Treway, and Ray Miller relayed University programs to CKUA five nights a week. At CKUA'S down-town studios on Sunday afternoons, Everett McCrimmon and Frank Miklos "M.C'd" the "Calling Home Show"; and the Bowerman sisters, Eleanor and Irene, presented "Sunday Song". Tuesday evenings, Cliff Hergott's Musical Section presented over a dozen popular pianists during the term. Wednesday evening, Dave McDonald, John Boras, and Pauline Sutermeister handled the "Campus Report" program, followed on Thursdays by Jim Redmond, assisted by Shirley Stinson and Olga Barilko, with the weekly "Sports Review". A half-hour slot on Friday evenings was devoted to performances of classical and semi-classical music by student artists. Dave Newman chalked up two very commendable drama productions for the air and had a third rehearsal when measles overtook him.

The Writer's group was "the pet baby" of this year's Honorary President, Elsie Park Gowan, who presented an excellent series of lectures on radio script-writing.

"Joe-girl" of the year was Past-President Bette Bothwell, who continued her active association with the club and claims she enjoyed typing last-minute scripts and counselling students on program content.

Through the efforts of this year's Executive, Miss MacKenzie, Mrs. Gowan, CFRN's Mr. Rice, Miss Bothwell, and numerous other supporters, the Radio Society has developed to full-grown stature.

Evergreen

This year, even though the staff was confronted with the problem of completing the 1949 Year Book before they could commence on the 1950 Evergreen and Gold, the group rolled up their sleeves, got down to work pronto, and quickly mastered the situation after many hours of hard work. By Christmas the work on the old book was mostly completed and turned over to the printer, and work on the 1950 Year Book started. Though the going was tough, the reward of seeing the Year Book completed gave the required satisfaction to the many E. & G. hands.

The highlight of the year was the Publication Party. This was a joint effort of the Evergreen and Gold, Gateway and the Alarm, and was held at the Trocadero in the latter part of February. A good time

was enjoyed by all in this get-together that marked the climax of a good year's work.

This volume represents the work of so many students that it is difficult to give them all the credit they deserve. Everett McCrimmon tried out some of his many ideas in this edition and Frank Harper and Doug Shearer were very active in the organizing and carrying out of the work entailed in this publication. George Jull's art did much to animate these pages and Perry Glaister's balancing of the budget saw us through many of the financial difficulties. Many thanks go to the hard-working lot in the photography department; to Frank Haley, Tats Yamamoto, Harold Noyes, and Eugene Kush for the many hours spent on assignments and for the long after-midnight hours spent in the dark room.

Gateway

DON SMITH
EDITOR-IN-CHIEF
First Session

This was a tumultuous year for *The Gateway*.

The term 1949-50 marked a number of firsts in the history of *The Gateway* on the campus. For the first time since its publication in 1909 *The Gateway* was banned by the University; for the first time also the editors of *The Gateway* resigned and the paper stopped publication for one issue.

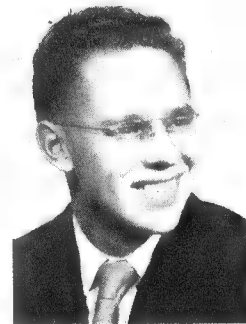

This year the paper was handicapped by a shortage of staff, and by a complete lack of trained personnel to take over the editorial posts on *The Gateway*. By Christmas, however, the paper had settled down and the editors finally managed to place two freshmen in the positions as day editors of the paper. This was one of the few times that a freshman had managed to become an editor in his first year, and the two students, Louise Wilkins, Tuesday Editor, and Dale Newcombe, Friday Editor, carried on for the remainder of the year.

But the trouble that *The Gateway* encountered didn't begin or end with getting students to take over the minor editorial positions. About six weeks after the beginning of the term Editor-in-Chief Don Smith and Managing Editor Irene Bowerman resigned their positions because they felt that they could not do justice to either their courses or their work on *The Gateway* under the adverse situation with which they had to cope. Conditions at that time made it impossible for the editors both to get out a paper and train a staff for next year, and the two students felt that they would have to resign unless they received aid of some sort.

Former *Gateway* editors who were still attending the University came to the rescue for the moment, and organized courses for the training of editorial staff for the coming term. These classes, however, ceased at Christmas, and at this time, finding pressure of academic studies too much to allow him to carry on with his work, Editor Don Smith resigned. Managing Editor Irene Bowerman was appointed by Council to succeed Don Smith, and publication of the paper

Tomorrow's *Gateway* In the Making

LOU PIENING
Circulation

VIRGE MOSHANSKY
Photography

LOUISE WILKINS
Tuesday Editor

went ahead without the loss of an issue. Assisting Irene in the position of Managing Editor after Christmas was Don Matheson, sports editor, who at the beginning of the year had been disabled in a hunting accident. But the long list of resignations was not yet over, and an issue before the final publication Don Matheson also resigned.

But with all these difficulties *The Gateway* managed to get out one more copy than the thirty required by the Student's Union Constitution.

Although there was not a large staff working in *The Gateway* office all year, putting out the paper, they were a hard-working staff, and in spite of all their obstacles they managed to put out several good editions. The first edition after Christmas was the gag edition *The Gatenik*, written in Lower Slobbovian style. This edition, however, raised much adverse comment from both students and faculty. The final January edition of *The Gateway* was a special Engineer's Edition, and this issue was the cause of the President's ban on *The Gateway*, which lasted for a week. Matters were finally straightened out between the President and Student's Council, and *The Gateway* once again resumed publication.

A complete survey of *The Gateway* could not be made without taking into account the work of *The Gateway* photographers. Many of these students spent long hours working in the darkroom developing pictures so we could have them for publication the next day. We are proud of them and of their co-operation in working with the news staff to see that the students received an accurate picture of campus activities.

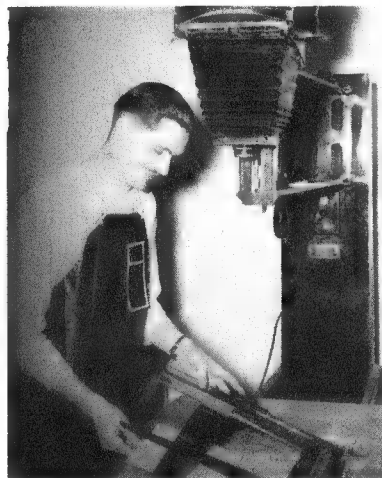

At the end of the year *The Gateway* honored four hard-working students by presenting them with gold and silver Gateway "A" pins, the only award that is presented by *The Gateway*. Gold "A"'s were presented to Len Holman, business manager, and Virge Moshansky, photographer; and silver "A"'s were given to Dale Simmons, advertising manager, and Don Hansman, Tuesday news editor. The pins were presented at the annual Color Night March 17th.

Alarm

This year the daily publication of the "Alarm" maintained the usual interest and humour for which it is noted. The many editors, typists, printers, contributors and distributors turned out and gave one hundred percent co-operation the year around. Of noted importance this year was the never-failing appearance of the joke column which caused great "Alarm" off and on throughout the year.

Stet

STET, now going into its third volume, has left infancy, and is beginning to look like that rarest of all publications, a mature magazine. The little group of hardy souls who gave STET its initial shove into the world has disappeared from this campus, but the magazine is carried on in the same spirit as it was begun, and with the same purposes in mind.

STET is designed to do three jobs. It affords young and promising writers, particularly students, an opportunity to have their work published; it attempts to provide what the University has been long in need of—a publication of literary merit; and it constitutes one of the too-few sources from which the people of Alberta, and the people of other provinces, can learn about what goes on at the University. The publishers and editors of STET have proof that their magazine is succeeding in its first purpose, and in its last. For the success of the second they can advance no facts or figures, but must leave the decision to the readers.

STET is published by the Student's Union of the University of Alberta, edited by the students, and, for the most part, written by students. The whole university has reason to be proud of its quarterly, and of the reputation which it has made for itself.

KAY TANNER
CLASS HISTORIAN

Class History

It was a little confusing at first registering in courses which meant nothing to us except by number-how much more "Chem. 40" means to some of us now! Fog. Fog in the lab and fog in eight o'clock lectures. But Freshie week roused chuckles as our veteran classmates wheeled their babies around dressed in freshman baby bonnets. Our pep rally too was one to be long remembered as for the first time since the war began, students snake-danced up McDougal Hill and down Jasper Avenue. That may well have been many Freshies' first look into the "Mac", but certainly not the last.

Our first impression was people, people, people! But persons we all grew to know were Bill Pybus, President of the Students' Union that year and a driving force behind our Union Building, George Hartling, Bernie Bowlen and Tevie Miller who lead the cheer squad our first year, and the student body this last year.

Packed in helter skelter among our memories are our Freshman Fiesta, Fraternity rushing, and U.B.C.'s Beauty Contest. At the end of our initial year, while the Engineers were out in the spring air surveying gracious knows what, the rest of our class heard the riveting in the Med. building west wing echoing the pounding in our heads the week before finals.

On returning in the fall to lead the cowhand Freshies around on ropes, we found changes. Dr. Warren retiring Provost, was replaced by Mr. Sparby. Tuck had lost its dark smoky atmosphere. The beautiful walk to Arts was now part of the Rutherford Library foundations. By now it was all part of our stride to study Greek architecture in Quonset huts, accept modestly Alberta's supremacy in the Beautiful Baby field, and cheer wildly as U. of A. scored on an 87 yard run against Toronto Blues. The year of '47-'48 was the highlight of our Varsity Sports life. Saskatchewan scored only one to our 58 in Hardy Cup competition, while other honors came to swimming, curling, boxing, wrestling, hockey, badminton and basketball teams. Yes—a year of great coaches, players and teams.

Many minds roll back to memories of back stage confusion with smooth performances on stage, in such productions as "Winterset" or the Ballet. Musically the campus was well entertained by the splendid work of the Mixed Chorus and the Symphony Orchestra.

Our Junior year saw the flourishing of I.S.S. as interest was awakened by reports of representatives to the European seminar. The Drama Club's beautifully advertised, "Romeo and Juliet" caused renewed interest in Shakespeare while the presentation of "Rain" in inter-year competition made us realize the talent in our midst. Do you remember too the rumpus when the Outdoor Club hill was slashed in half? The alarm when exam booklets were removed from the library? The "Gatenik" as a topic of discussion in Caf 61? By this time though, spring thaws were beginning to set us in the mood for exams.

July 11th, 1949, was the realization of a dream, as Premier Manning declared the Student Union Building cornerstone "well and truly laid". Today we can take great pride as the structure approaches completion.

A look through old Gateways from our Senior year recalls the dismay of higher fees and no football, as well as many interesting hours spent with Rubinoff and his violin, Alice in Wonderland, Freddie Slack, and even Henry IV. Although everything from clubs to curriculum was blamed for apathy on the campus, we were all busy and happy, even through the measles epidemic. We had little reason to be anything but busy and happy.

The grand climax of extracullicular activity was Color Night at which the awards were presented. This year the hockey team was awarded permanent possession of the Halpenny Trophy after fifteen consecutive years of victory.

But now the Class of '50 looks back. Our ideas have changed. Our Class History is a vivid pattern of academics, extracurricular activities and personal contacts. We realize that it is an idealistic picture, drawn from our fun and worry, our successes and failures for here we have met more trust and understanding than we might elsewhere. However our life has been influenced we feel we have accomplished something individually and collectively for the future of our land. Now we say "Thank You" to our professors, and "Good luck" to the undergraduates.

Valedictory

It is with mixed feelings of both joy and sadness that I take up the task of bidding farewell to our University on behalf of the Graduating Class of 1950.

There are many goodbyes that we must say at graduation time, for it is a time of saying farewell to our University, which in the years to come will be our Honored Alma Mater, a farewell to friends who have raised the toil of College life to a high plane of comradeship and competition; farewell to a life where hard work and sheer fun were blended into one, by that catalyst of Campus relations, School Spirit, and farewell to the Deans and Professors who have guided our immature thoughts and ideas and trained us to think as educated young men and women.

CHARLES VIRTUE
VALEDICTORIAN

But it is never wise to dwell on goodbyes, or what has been, so let us think of graduation, not as the end of all things, but as the transitional step into the next fascinating phase of our existence. We Graduates are stepping out of a world of guidance, into a world of challenge, confident that our University has given us the tool of education, with which to carve out an abundant future.

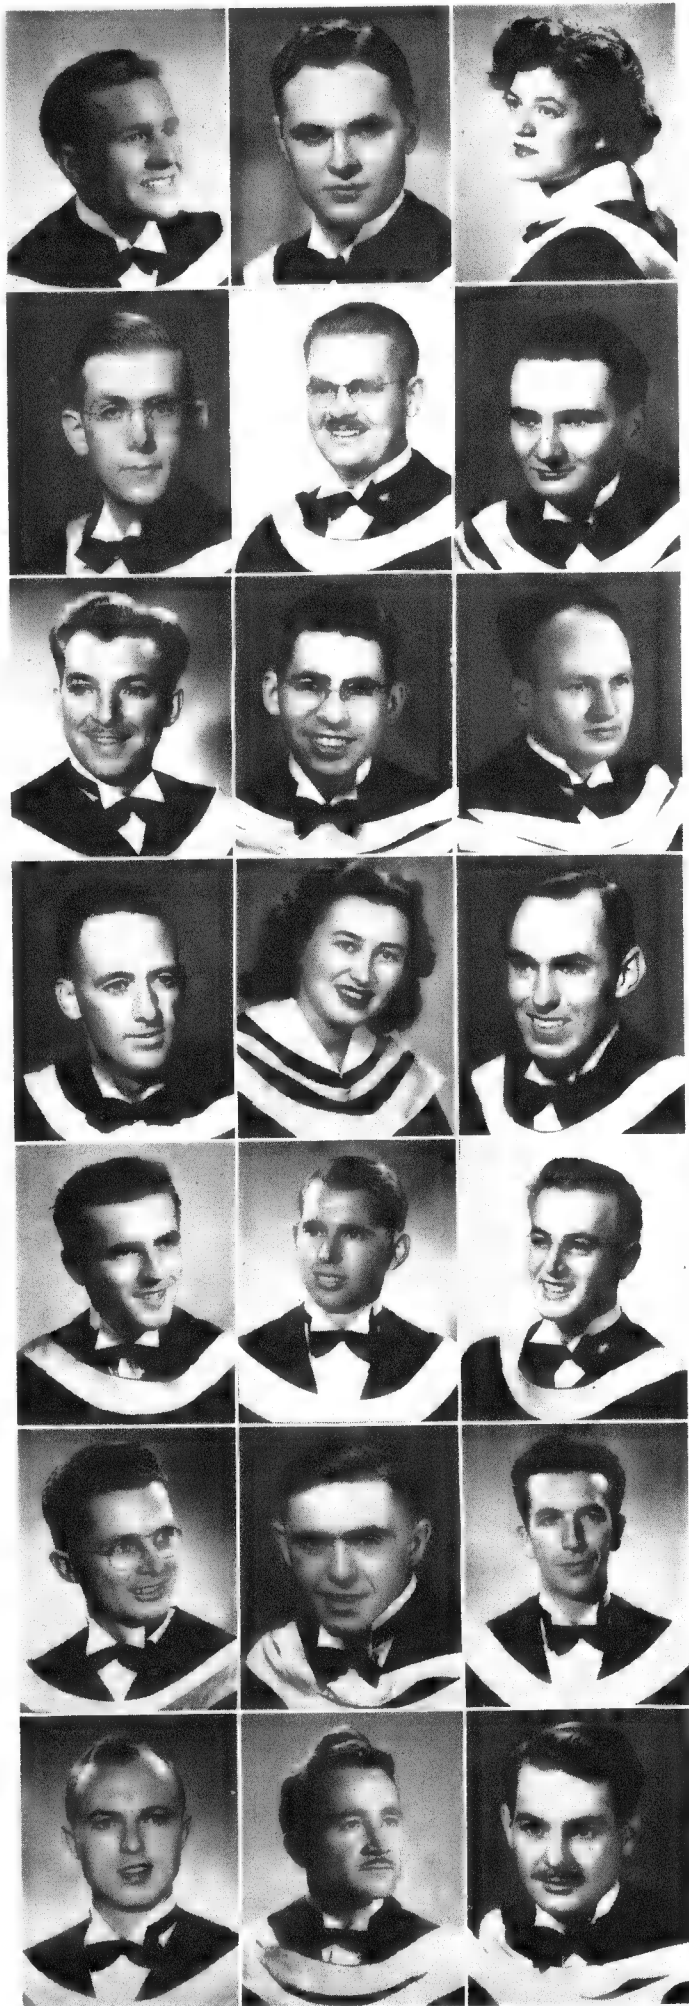

But lest this confidence of ours becomes conceit, let us pause to assess our qualifications, to take a look at this education of ours. Just what is it that we have been given?

Education, I think, is nothing more than a preparation for knowledge . . . a cultivation and a planting that may one day bear the fruits of true wisdom. This preparation of our minds has been achieved in two ways; Firstly, we have all become intimately familiar with new and specialized languages. Law students have learned the language of law. They speak in strange terms of legal maxims, precedents, statutes and the like. Engineers have their formulii, equations and universal laws. And so too, medical students, and philosophers, geologists and historians, have learned to express their ideas logically and coherently in the language peculiar to their field of learning. Once the terminology of any field of learning is conquered much of the rest is common sense. Facts are observed, co-ordinated and expressed in terms of conclusions. Once the terms of expression are learned, the conclusions can spring from logical thinking and be passed on to others as knowledge.

So, the first thing we graduates have, is a familiarity with a specialized language. The second prerequisite with which we have been furnished, is that we have been taught to think . . . to reason along a logical pattern, to differentiate between the rational and the irrational, to observe, to test and to conclude.

To be able to reason and to express our conclusions represents to me the tangible parts of our education. Expressed so simply it does not seem so much, and yet it is all that can be given to us, the rest must come from within. Unless there is that spark of inspiration within us, this education is like a massive machine, without the electricity to make it work. We perhaps could be called social carpenters. We have been given two essential tools with which to build—a fluency in a technical language and an ability to think rationally, what we create with those tools is the true test of our education and ourselves. The world is in dire need of men and women who can create, men and women of initiative, independence and originality, for, it is obvious that some new dynamic force is needed to have the world from agony and bloodshed in our future. All the mass of learning from ages before cannot seem to make mankind change his foolish ways. But you say, all of what we know comes from the past, from books and from scholars before us. Admittedly much of this education of which I have spoken, would have been unattainable without such prepared learning, yet, books are for nothing but to inspire. What has been said by others, though they be utterances of genius, are merely instruments with which we can build, and we must never be subdued or overawed by those instruments. It is only if we have that inspiration to create, to build and build anew that we can truly say we are educated.

If we know that we are competent in what has gone before, but yet will walk on our own feet, work with our own hands, and think with our own minds, then we have passed our final exam and have truly graduated into a waiting world, fit representatives of the Grand Old Alma Mater to which we must now say . . . farewell.

SUMMER SCHOOL

MR. G. M. DUNLOP
DIRECTOR SUMMER SCHOOL

In these days we hear much of Stanford, Chicago and Columbia. Even McGill and Toronto possess an academic glamour often undetected in our own University. The pastures on the distant hillside seem green indeed.

What we overlook is the genuine quality of work going on all about us in our own University; for quality, not mere size, must continue the measure of value. In our Summer Session we find a highly competent faculty enriched by selected guest lecturers. The students are characterized by their maturity, breadth of experience and strong motivation. Work of high quality is likely under such conditions.

It seems evident then that early postgraduate work, at least up to the master's level, may be pursued in our own University under better conditions of work, and with less expense than in the crowded institutions to the South. To this end the Summer Session offers a certain range of choice in graduate courses, and registrations have indicated their popularity.

There is one great problem which besets the Summer Session. The space of six weeks compels the courses to become concentrated to a painful degree. Pre-session study would improve the situation. Means must be devised to insure earlier registration and carefully guided pre-session study. This will be kept in mind in planning for the 1950 Summer Session.

Cornerstone Laying of New Students' Union Building

Premier Manning laying the cornerstone

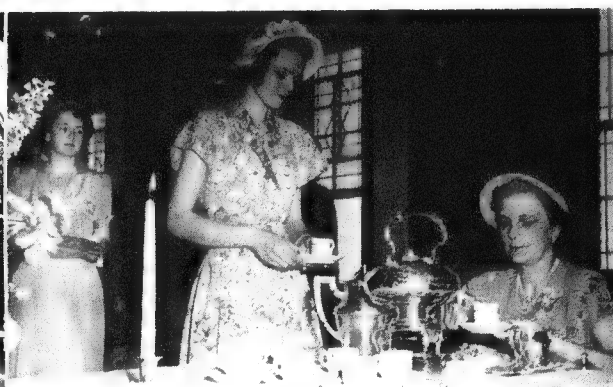

Left to Right: President Newton; Premier Manning; Dr. Thos. Hart; Dr. Garden; Mr. Fowler.

The Laying of the Cornerstone of the new Students' Union Building was held on July 11, 1949. Mr. E. Manning, premier of Alberta; Dr. Robert Newton, President of the University; Dr. McNally, Chancellor of the University; Dr. Garden of Mt. Royal College in Calgary; Mr. Fowler of the Technology School in Calgary; Mr. Pitfield, Mr. Philip Galbraith and Dr. Thos. Hart participated in the ceremony. Following the ceremony a tea was held in Athabasca Lounge in honor of the occasion.

The receiving line greets the guests

Miss Pat Scott waits while Mrs. Markle pours

Summer School Furniture Drive

TAG DAY featured a canvass of the students. Each donator received a buttonhole tag with the words "Furniture Drive" printed on it.

Miss Simpson gives her donation to the drive to Doug Petherbridge

The furniture department of the Students' Union Building gained valuable additions thanks to the activities of the Summer School Students.

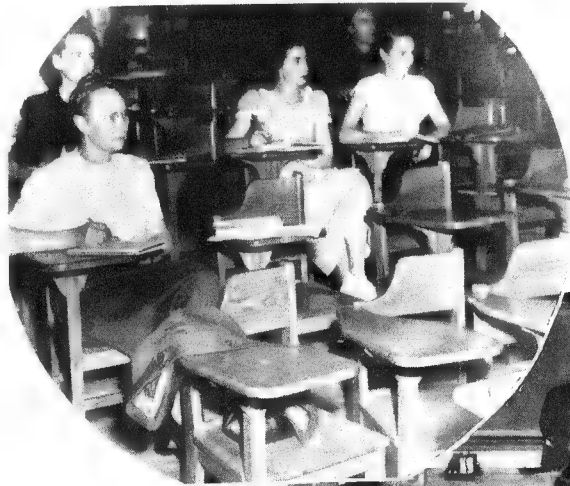

One of the weekly informal dances held at Athabasca Hall was given over to the Furniture Drive. Novelty Corsages consisting of Carnations with a complete set of miniature furniture attached, were presented to the patronesses.

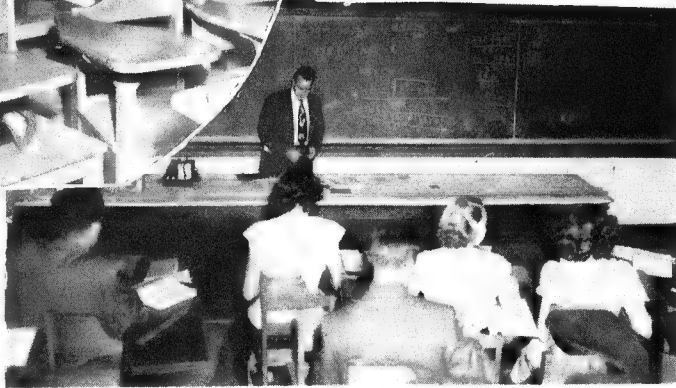

Variety Dance in full swing

Miss Simpson is presented with her corsage

Summer School Classes

This is what we came for.

The University vs. the Universe or This is Physics

What's Cookin'? The House Ec'ers in action.

A most familiar sight to residence girls is the Head Table in the Dining Hall of Pembina. Presiding as usual is Miss Mamie Simpson, the Warden of Pembina Hall. It looks like eggs for dinner.

Summer School Sports

Racing with the moon

Women's Fastball Champions
Men's Fastball Champions

The Finalists Contest For the Title

Summer School Activities

A gift for Mrs. Hough. The girls show their appreciation to members of the residence staff.

A Present for Pembina. In the presentation of gifts at the final Get-together of the Residence girls Pembina was not forgotten. Tom Thomson's painting, *Northern River*, now adorns the walls of Pem. for both Summer School and Winter Session residents to enjoy.

Summer School life isn't just a series of classes and fastball. Informal get-togethers are always times of gay hilarity and good fun whether they involve cokes and all-day lollipops or just chanting the melancholy strains of "Little Peter Rabbit."

ATHABASCA HOUSE COMMITTEE

PEMBINA HOUSE COMMITTEE

Summer School Activities

Residence Life would not be complete without the frequent sing-songs which alternated between Pembina and Athabasca. Ladies, Gentlemen, Grandmothers and Grandsons all join in the merry time with equal vigor. Ruth Godwin directs the group of choristers.

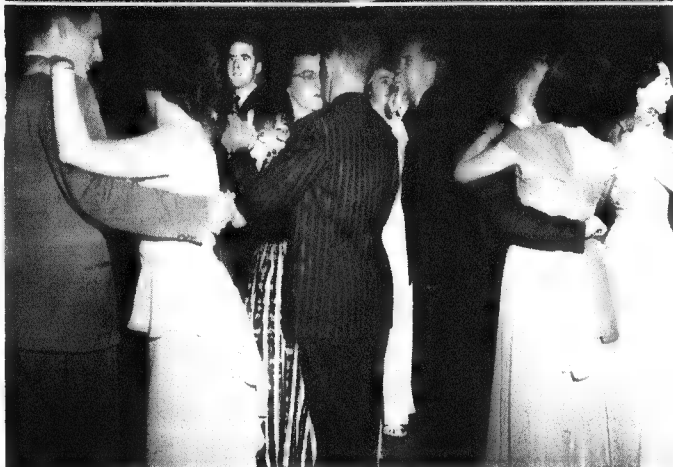

The Pause that Refreshes: A typical pyjama party discussion. The topic could be anything from "That handsome male at the dance" to a psycho-analysis of Lord Byron.

One of the most important events was the formal dance held during the last week of Summer School.

Refreshments were served during the intermission.

The Formal dance. A good time was had by all.

PAT SCOTT
PRESIDENT

Literary Association

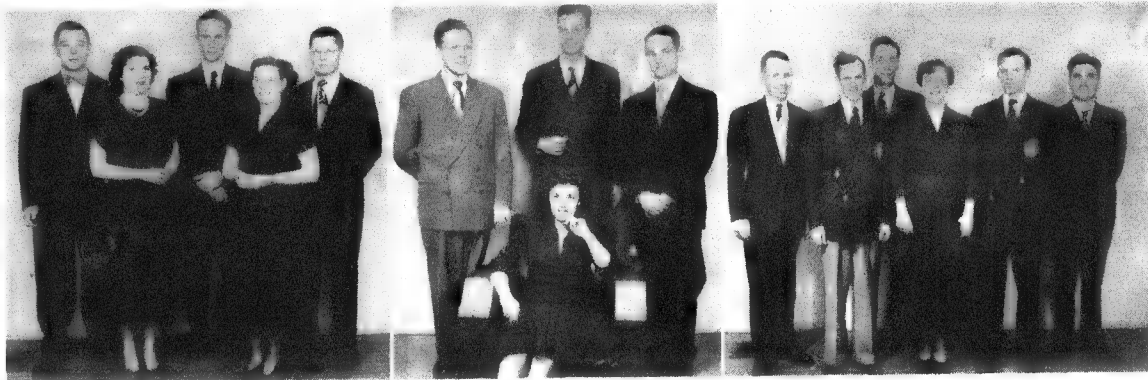

ISABEL FERGUSON
SECRETARY

The Literary Association which acts as the co-ordinating body for a large group of clubs on the campus has once more enjoyed a busy and successful year.

The varied interests of the Drama and Make-Up Clubs, Debating Society, Radio Society, International Relations Club, Political Science Club and Public Speaking Club are herein amalgamated with impartial attention to the needs of each. Headed by the president and secretary, the Association has representation on the Students' Council, where it speaks in the interests of the component organizations.

Several meetings of "Lit." were held to draw up the annual budget, discuss current plans and, near the end of the year, to award rings and pins to the most outstanding members. These awards are presented at Color Nite-the grande finale of campus activities which is jointly sponsored by Council and the U.A.B., Lit. undertaking the Students Council's share of the responsibility.

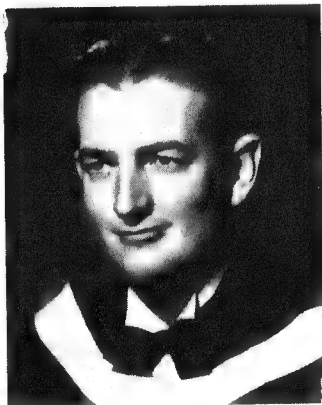

Major project this year was the purchasing of a tape-recorder to be used by all campus organizations as well as the Association members.

Mixed Chorus

EXECUTIVE

<i>Honorary President</i>	J. W. E. Markle
<i>President</i>	Bob Hatfield
<i>Secretary</i>	Joan Rylands
<i>Business Manager</i>	Bill Egbert
<i>Advertising Manager</i>	Malcolm Asplund
<i>Librarian</i>	Everett McCrimmon
<i>Social Convener</i>	Isobel Alcorn
<i>Conductor</i>	Richard S. Eaton, B. Mus.
<i>Accompanist</i>	Jocelyn Rogers

BOB HATFIELD
PRESIDENT

Conducted for the third consecutive year by talented Richard S. Eaton, the University Mixed Chorus enjoyed another very successful season.

An established favorite among campus clubs, the Chorus was, this year, 135 strong, these members being chosen from the 200 eager students desiring membership.

After playing to three packed houses in Convocation Hall in late January, the Chorus journeyed to Calgary one week later, and there, under sponsorship of the Students' Union, received acclaim from two more capacity crowds.

With the kind assistance of Richard MacDonald of the Dept. of Economic Affairs an eight concert tour of southern Alberta was held immediately following final exams. Eighty choristers made the trip, the third such spring tour.

In addition to these major undertakings the Chorus participated in other campus events. Early in November

the members aided in the Sunday Church service held for the alumnae. At Christmas time the Varsity singers took an evening off to carol to grateful patients in the University Hospital and Col. Mewburn Pavilion.

Albertans throughout the province heard the chorus in a special half hour C.B.C. broadcast, in March.

At the request of the Students' Union the Chorus performed at both the Civic and Parliamentary banquets late in the term.

During the year members relaxed at several informal parties, which was climaxed by a banquet held in Calgary at the conclusion of the second concert there.

Critics, patrons and reviewers throughout the province lauded the efforts of the chorus and pronounced Mr. Eaton's selections entertaining, and near professional in quality of presentation.

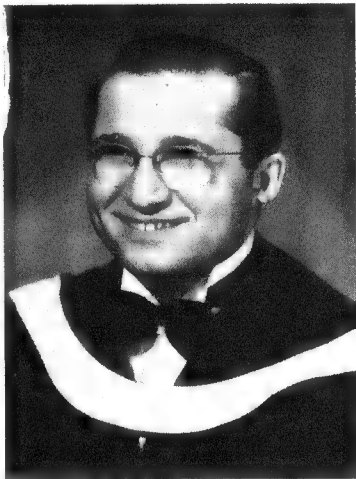

Music Discussion

Chorus Practice

Business Meeting

HARRY WEITZ
PRESIDENT

International Relations Club

EXECUTIVE:

President.....Harry Weitz
Secretary.....Lorne Calhoun
Executive Members.....Olga Kaleta, Jo Stewart

Under President Harry Weitz, the International Relations Club during this year sought to find its proper function among University clubs. Speakers on International Affairs, among them Dale Thompson, I.S.S. seminar delegate home from France; Ted Kemp, Alberta representative on the Beaver Brigade; and B. K. Sandwell, well-known and admired Editor of *Saturday Night*, were sponsored in an effort to bring the problems of international affairs closer to Alberta students.

The club also sponsors a library of up-to-date volumes on international affairs. This collection was added to during the year and periodicals dealing with foreign affairs were subscribed to in order that students could inform themselves.

The International Relations Club looks forward to achieving a prominent place on the Alberta campus, as it undoubtedly should.

JIM HENDERSON
PRESIDENT

Public Speaking Club

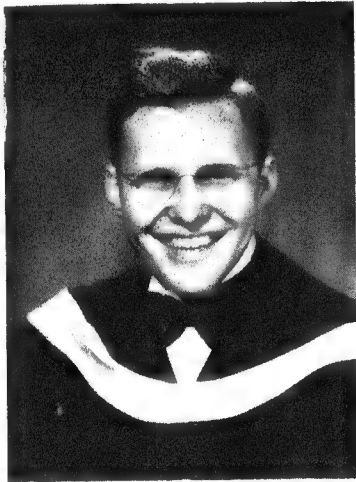

EXECUTIVE:

President.....Jim Henderson
Vice-President.....Edward Dixon
Secretary.....Gavin Hall

The promotion of effective speaking on the Campus has been the aim of your Public Speaking Club during 1949-50.

Persuasive speech is one of the major stepping stones of each aspiring student's success. ("Few men make themselves masters of the things they write or speak."). The voice is an index of character—hence, your Club has endeavored to develop each member's power of articulation in such a way as to reveal the best that is in him.

Our worthy critic, Johnny McIntyre, has emphasized that practice is imperative to each one of us who attempts to stimulate, convince, actuate, humour, or inspire others. Practical experience has been aided through the Public Speaking System, auditorium orations, tape recordings, impromptu and extemporaneous speeches. The Public Speaking Club is again indebted to the Rotary Spokes Club for their kind invitation to the joint dinner and discussion on better speaking.

LAUGHLIN TAYLOR
PRESIDENT

Political Science Club

EXECUTIVE:

- President*.....Laughlin Taylor
Vice-President.....Alan Fell
Secretary-Treasurer.....Lorne Calhoun
Executive Members.....George Milner, Edward Kemp,
 John Boras, Al Schindler, John A. L. Smith

Under Presidents Hal Laycraft and Locky Taylor, The Political Science Club started a long and hard road back to health after the shock administered by the loss of the Mock Parliament and various political upsets. The executive returned closer to the original idea of the organization: to stimulate and provide opportunity for discussion of politically vital issues in an unbiased atmosphere. Several meetings were held to hear speakers as diverse as Norman Penner of the Beaver Brigade; Brooke Claxton, Minister of National Defense; M. J. Coldwell, national leader of the C.C.F. party; Hon. Lucien Maynard, honorary president; Dr. H. B. Mayo and others.

The Political Study Groups, representing the five political parties in the dominion field, continued their activity. The C.C.F. group continued to publish its campus paper, *Left of Centre*, under Editor Allan Fell. The Liberal group sent several members to the provincial convention at Calgary and became more closely associated with the Young Liberals. The Social Credit, Progressive Conservative and Labour Progressive groups also functioned in the clubs routine program to keep the campus politically well-informed.

Camera Club

EXECUTIVE:

- President*.....Bruce Hatfield
Vice-President.....Jack Fair
Secretary.....Ross Garrison

Model Night

The 35 members of the Camera Club enjoyed a very successful year due largely to the efforts of president Bruce Hatfield and his able executive. Bi-monthly meetings dealt with all phases of photography in which members were interested.

Classes were organized by the more advanced students to teach the rudiments to those who had just begun to learn about light and lenses. Developing and printing was demonstrated, as well as more advanced procedures of enlarging, tinting, toning, reducing, intensifying and retouching.

This training was put to use in preparation for the annual Photo Salon when members were given a chance to photograph models and still-life. These activities were followed by "print nights" when the members criticised each other's work. The finished prints were tinted, or toned and mounted.

After Christmas the third Photo Salon was hung in the Arts Building and the display provided something different from the usual art exhibits seen there. So popular was the salon that it was used by the Students' Council for their Parliamentary and Civic Banquets.

Members were privileged to hear lectures on photomicrography, composition, flash and color photography. One meeting was devoted to the showing of color photography done by the members.

The club did much by training its members and encouraging them to do more and better photography. The Photo Salon was ample evidence of a session well spent.

JO PILCHER
PRESIDENT

Drama Society

EXECUTIVE:

President.....Jo Pilcher
Vice-President.....Laughlin Taylor
Secretary.....Richard Davies
Treasurer.....Hank Blench

The smell of grease paint and glue size has faded as the Drama Clubbers put away their scripts and clasp their text books firmly to their hearts, hoping to absorb some of the "inner meaning" after a hard, but worthwhile year.

This past season, 1949-50, saw the passing of an old and honored tradition, the Inter-year Play Competition. However, these were replaced by a journey into the classics—Sophocles, "Antigone"—directed by Prof. Orchard and presented in the Studio Theatre under the joint auspices of the Studio Players and the Drama Society. This was the first attempt at tragedy and verse for many of the members and so provided valuable experience and much enjoyment for all.

As the main event of the year's activities, another classic, although of an entirely different nature, was produced in November—"Alice in Wonderland" under the direction of Mr. Les Pilcher. Lewis Carroll's weird and wonderful creatures brought to life by a little genius and great quantities of plain old work on the part of the costumers, stage technicians, and even actors.

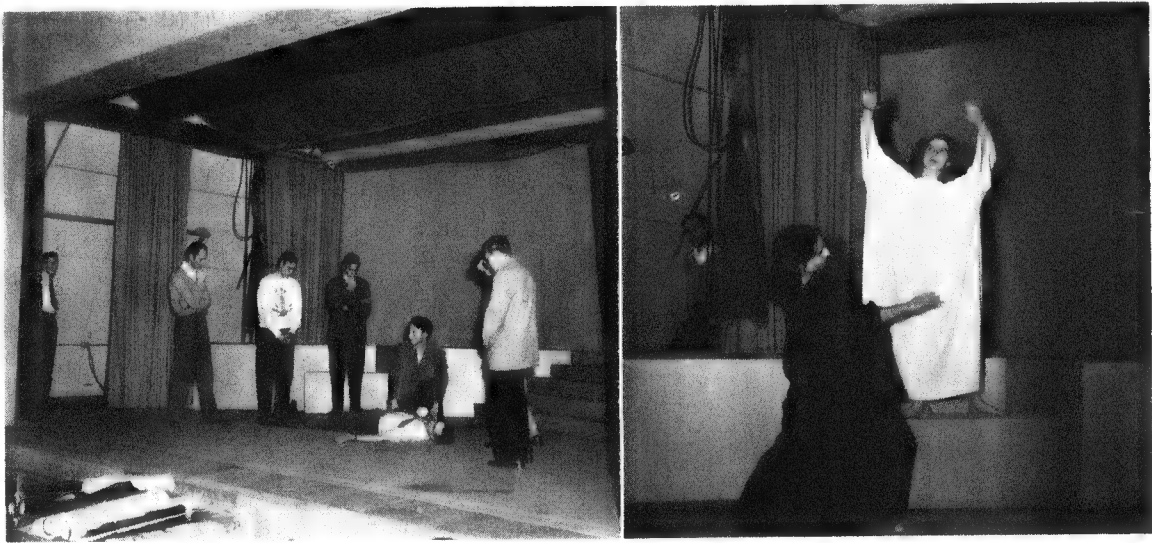

The Drama season, on the whole was considered an ambitious and successful one. The spirit of the club was kept forever flowing and the old stagers look confidently forward to bigger and better things in the future.

Debating Club

EXECUTIVE

President.....Lorne Calhoun
Vice-President.....Mo Lyons
Secretary.....Beatrice Cole
Treasurer.....Allan Edwards

This year found the Debating Society operating at a pace even more hectic than usual. Under the clucking tenderness of hen Jim Woods, the Hugil Cup Competition—four debates each week complete with judge and chairman—was run with the smoothness of a family of chicks. Roosters Jack Joyce and Garth Fryatt crowed and clawed their way to the championship.

The McGoun Cup was won by U.B.C., whose team included ex-M.P. Rod Young and went on to win the national debating finals. It was not, however, that debaters Jim Woods, Herb Laycraft, Percy Marshall and Terry Nugent made it easy. They didn't.

President Lorne Calhoun had a pet egg too—the Alberta Debating Union. Frankly copying the idea from the famed Oxford Union, Alberta debaters met in conclave to consider Fraternities, the Athletic Board and the wicked *Gateway* and hoped that future classes will catch the idea and turn it into the enduring University institution which it could become. A series of parliamentary procedure classes was held at the same time to help liven proceedings.

The Alberta Debaters, whose fame will no doubt spread far and wide some day, were also born this eventful year. They tour the province and debate against all comers, they say. John Mahoney did good work in finding contest for them, too.

Nearly 100 debaters agree that 1949-50 was a good year for debating.

ISABEL FERGUSON
PRESIDENT

Make-Up Club

EXECUTIVE

President.....Isabel Ferguson

Making up the cast for
"Alice in Wonderland"

The first job which confronted the Make-Up crew this year was the gigantic task of transforming thirty-eight members of the Drama Club into rabbits, mice, ducks, caterpillar, frogs, cats, fish, and various other animals and birds. Under the guidance of Mrs. Richard MacDonald and with the help of Director Les Pilcher, the artistic club members devised the make-up seen in "Alice in Wonderland."

The spring production of the Ballet Club posed quite a different problem. The quick changes from the Classical White Ballet to Estonian Folk Dances and then to a ballroom scene left the Make-Up crew little time for a breather.

DAVE DWORKIN
PRESIDENT

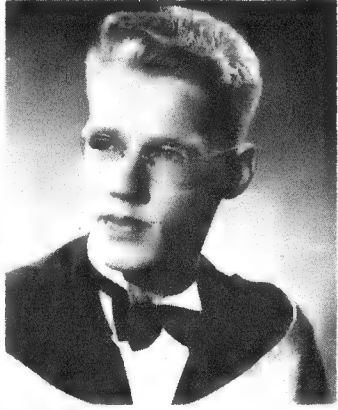

Hillel Club

Hillel's essential function is to acquaint the Jewish student on the campus with his cultural heritage. Although working with a small membership, Hillel's second year on the U. of A. campus was actively spent in fulfilling this aim through the music appreciation and Hebrew speaking groups, the lectures in Jewish history given by the Hillel counsellor, Sabbath services, and an active participation in Brotherhood Week. Among the most popular of Hillel activities were the monthly Sunday morning branch meetings to which guest speakers were invited and where such stimulating issues as "Church and State", "The Atheist" and the "Religionist" were discussed.

Functions for the year were ended at Hillel's annual Charter Night banquet and dance, where awards were presented to those who participated most actively during the year.

With a successful year behind us we are looking forward to Hillel's continued success.

Lawrence Hobson performs on Musical Club
 Concert

This year the Musical Club presented five Sunday Evening Musicales, and two guest appearances, those of Rubinoff and his violin, and the Barditurst Chorus. These concerts, at which no admission was charged, were a boon to the shekel-short students and provided a finish to the week-end.

Our artists for four concerts were University students, and their talents were well received by fellow students and others present in the Convocation Hall and radio audiences. These artists included Don Clarke, violinist; Robert Hoare, organist; Jocelyn Rogers and Alan Boomer, duo-pianists; Verna Weaver, mezzo-soprano; Margaret Ann Brine, pianist; Bill Kelly, baritone; Lawrence Hobson, violinist; and Professor Nichols, organist.

The final concert was presented by a fifty-five piece symphonic band under the direction of Warrant Officer Karl Friberg, with pianist Patricia Shakespeare.

The Honorary President was Dr. William Rowan, and Patrons were Professor and Mrs. R. S. Eaton, Dr. and Mrs. O. J. Walker, Dr. and Mrs. H. V. Rice and Dr. and Mrs. J. H. Greene.

We discovered that there are many musical people on the campus and judging from the increasing numbers in our audience our efforts in bringing them to you are appreciated.

Student Christian Movement

EXECUTIVE

President.....CLIFF WILKINSON
Vice-President.....GEORGE ROBERTSON
Secretary.....JOCELYN ROGERS
Treasurer.....BOB McMILLAN

Executive: DOUG GREENOUGH, MARG. TROTTER, WES. JOHNSON,
MARVIN FOWLER, BLAIR McPHERSON, GERRY HANKINS, MIKE GIBNEY,
DOROTHY REID, JOHN SMITH and ILEEN JAMES

Although there was no local Secretary on the campus this year, our President, Cliff Wilkinson, and the executive planned and carried out a full program of Christian work. This term's activities began with a reception for freshmen and a fireside to welcome old and new students to the S.C.M.

Five study groups were organized and functioned to the benefit of members. These groups were "The Christian in the University", "The Evangelical Task of the Christian", "The Enumerical Task", all being chaired by students; and "Political Aims of the Christian Student", with Dr. H. B. Collier as resource leader, and the Bible Study Group under the leadership of Dr. E. J. Thompson.

Firesides were held twice monthly, alternately in St. Stephen's College auditorium, and the lower lounge of Athabaska Hall. Sing-Songs, addresses, discussions, refreshments and worship were all a part of the Fireside programs.

A highly successful Thanksgiving week-end camp was held at Fallis, with about twenty-two people attending. During the Christmas holidays nine delegates were sent from Alberta to the Western Regional Conference in Saskatoon, and brought back vivid reports with them.

Several issues of the *Clarion* made their appearance on the campus throughout the term, under the editorship of George Robertson. We were visited by three members of the National staff this year—Rev. James Puxley, Miss Margaret Prang, and Miss Helen Burlton. Their visits left us with an enlarged picture of the National Movement. During February the S.C.M. sponsored Dean Trendall's popular series on Sex, Morals and Marriage. On the World Day of Prayer for Students, in February, twenty three members assisted in various city church services, as representatives of the World Student Christian Federation.

Among other successful events were the cardboard party and bean-feed, the informal enthusiastic get-together at the President's home, and the annual Spring Banquet. The last event for the year, looked forward to by all who could attend, was the Annual Spring Camp which was held immediately after exams. Speakers were Dr. Gallagher of the Canadian Council of Churches, Rev. G. Hutchinson, and Rev. W. E. Harrison.

All S.C.M.'ers. here are looking forward to welcoming their new Secretary, Mr. John McRae, who will begin his work with the Student Christian Movement early next fall.

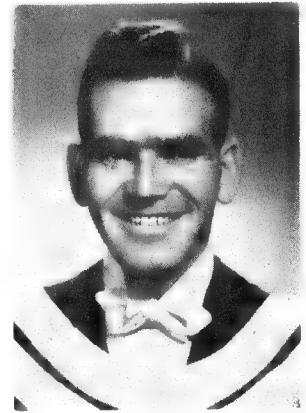

Standing: ROBERT McNULLAN, CLIFF WILKINSON, BLAIR McPHERSON.
Sitting: GEORGE ROBERTSON, MARG. TROTTER, JOCELYN ROGERS,
DOROTHY REID, MARVIN FOWLER.

Outdoor Club

EXECUTIVE

President.....ALEX HOLLEY
Vice-President.....JOHN SIBLEY
Secretary.....ELEANOR THRIFT

Executive Members: HARVEY BUCKMASTER,
WAYNE MINION, RALPH SUTHERLAND,
FLOYD WILLIAMS.

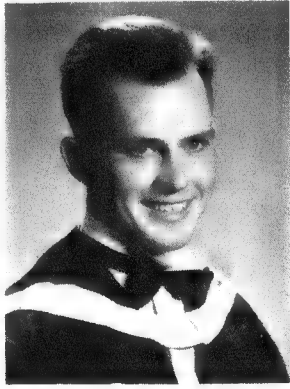

ALEX HOLLEY
PRESIDENT

In keeping with the current boom time the Outdoor Club also has had a year of building and development. The 1949-50 session has seen the building of a new club site on the river bank at 116 Street. The new cabin was built for the club by the city of Edmonton after the city had disrupted activities at the old location by bulldozing a road through the ski hill in 1948.

A great amount of work has been done by the willing hands who turned out regularly on weekends throughout the season, and there is still a lot to be done. But a lot of fun was had too. The Hallowe'en Hayride, the Winter Weekend Dance, and the regular weekend outings all leave pleasant memories.

Back from skiing and ready for some hot coffee and donuts!

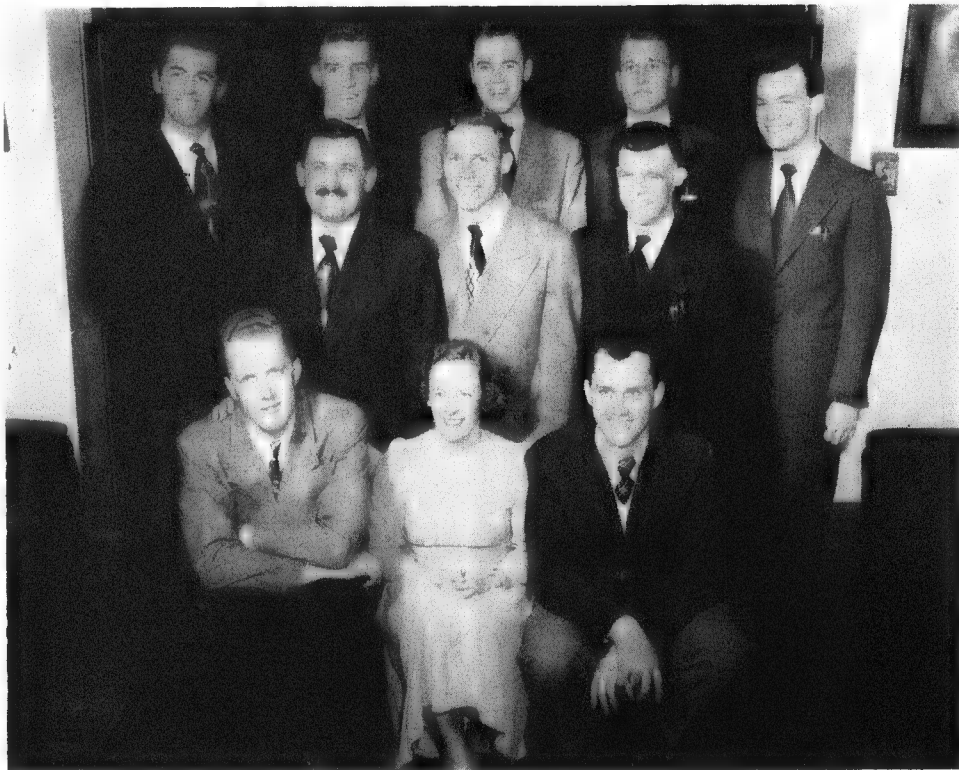

TOM MORROW
PRESIDENT

Agriculture Club

President.....TOM MORROW
Vice-President.....MARILYN SEARS
Secretary-Treasurer.....J. A. PETERSON

“How’re ya gonna keep ‘em down on the farm” especially after belonging to the Ag. Club? This year the Aggies set the pace for the season’s social whirl. One of the best dances of the year was the lively Harvest Hop when everyone donned their jeans and really raised the roof. The annual Bar-None in March was its usual gay success. In addition, the Agricultural Club Formal was a happy conclusion to a busy year.

Another popular March event was the Annual Ag. Field Day toward which many members contributed time and talent.

1950 EXECUTIVE

Standing: L. GROSSETH, S. WILTON, A. MICKELSON, M. MacDONALD, W. J. KLUFAS, R. T. BERG, E. DIXON. Sitting: T. A. PETERSON, MARILYN SEARS, T. MORROW.

5. The annual Ag. Club Banquet

6. Bar-None Nite

Standing: LORNE CALHOUN, DICK McCREARY.
Sitting: VI KING, AUDREY COPPACK.

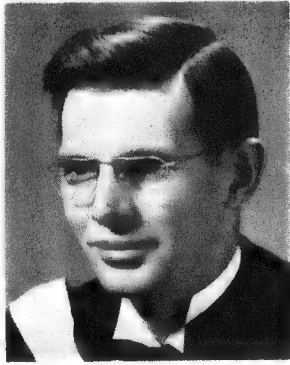

Arts and Science Club

President.....DICK McCREARY
Vice-President.....AUDREY COPPACK
Secretary.....VI KING
Treasurer.....LORNE CALHOUN

The primary object of the Arts and Science Club is to acquaint fellow students in the various faculties of arts and science and to intergrate the small clubs of these groups.

This purpose is achieved every year by a number of informal house dances and hay-rides to which all are welcome. The climax of these activities is the annual Mardi Gras, at which a King is crowned to reign for a night. This year's election was somewhat hampered by the disappearance of the ballot boxes at the crucial moment. It will never be known which of the popular candidates was to be Rex of Mardi Gras. However, undaunted by such opposition, the capable executive planned a surprise for the gay crowd of masked dancers. It is difficult to say who was more pleased at their choice for King—the audience or he who was crowned—our own Reg Lister!

Was it retaliation when the crafty arts and science men plotted and successfully carried out a plan attempted yearly but only achieved once? The kidnapping of five out of six engineers' queen candidates was surely a surprise to the beermen who had taken seemingly every precaution to guard their pretty princesses. They're even now, these two great rivals, but who can guess what next year holds in store?

DAVE BELL
PRESIDENT

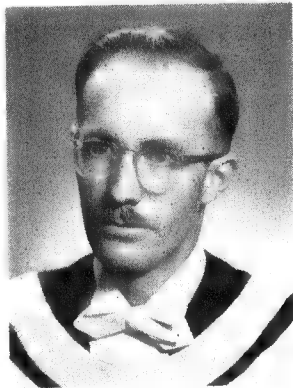

C. U. R. M. A.

With Dave Bell in his third term of presidency the Canadian University Returned Men's Association concluded a very successful and useful year.

The vital task of the Housing Committee, headed by Hec Hortie, was that of finding suitable accommodation for the many ex-service-men and their families.

The famous annual Baby Show was held in February, giving many a proud engineer and artsman a chance to show off his beautiful offspring.

Smokers, informal dances and a banquet completed the year's events.

MILES PATTERSON
PRESIDENT

Law Club

The Law Club is strictly a social club limited to members of the law faculty. The activities are provided for the enjoyment and good-fellowship of the lawmen. A get-acquainted smoker is the first function of the year, followed by an informal dance at the Trocadero. Nearly full attendance is traditional with the members enjoying themselves to the utmost.

MR. NEIL D. McLEAN
GUEST SPEAKER AT LAW CLUB
BANQUET

Guest speaker at the annual banquet at the Macdonald this year was Neil D. McLean, and guest of honor was Chief Justice O'Connor.

Dental Undergraduate Society

MELVIN BAUMAN, DUNCAN ELLIOTT,

SOCIAL COMMITTEE	SPORTS COMMITTEE
Hap Protheroe	RALPH ROWE
Al Gray	REX EHLERT
Vic Chatwin	EVAN ERICKSON
Bill Aitken	DON FISCHER
Jim Marks	VENOR CALHOUN
<i>Publicity</i>	JOHN HARMS, HAROLD HELM

The largest registration in the history of the faculty of Dentistry saw the Dental Undergraduate Society very active in many ways. The many functions were well organized and supported, and the graduation banquet and ball honored the largest graduating class ever to receive their dental degrees from the University of Alberta.

Much credit must be given to the members of the faculty who gave so willingly of their knowledge and efforts under the adverse conditions of an abnormally large registration. Thanks to them the new clinic functioned smoothly and without fuss or confusion.

A special bouquet to Dr. H. R. MacLean for the honor accorded him by the American College of Dental Surgeons who bestowed a fellowship upon him in recognition of his contribution to the science of the profession.

Students watch while Dr. J. W. Neilson demonstrates.

Executive Members: DON BRINTON, JEAN NOY,
 CY McANDREWS

The 1949-50 term was a very successful year for the Newman Club. Over 200 members enjoyed active participation in the many and varied activities which included Christmas and Valentine dances. The club's slogan "Sunday nite is Newman nite", was a reality, with pleasant socials every Sunday evening in the club-rooms in St. Joseph's College. Coffee parties were enjoyed by the girls every Tuesday afternoon. Other activities included a Retreat preached by Father Michael; and various study groups, organized by the members, sponsored guest speakers for special occasions. A feature of the club this year was the establishment of a nucleus of a Club library for the benefit of members.

Ballet

EXECUTIVE

President.....MARCEL ASQUIN
 Vice-President.....ELAINE FITZPATRICK
 Secretary.....BARBARA EGGEN
 Treasurer.....KAZIE SILUCH

After long hours of practice this year, the Ballet Club presented its annual spring performance on March 9th, 10th and 11th. The result seemed well worth the amount of time and work put into preparing it. Although the dancing was certainly not perfect, the members deserve credit for their fine performance, since most of them had no ballet training before coming to University.

Under the direction of Muriel Taylor, members of the club performed a classical ballet "Rosamunde" by Schubert, a semi-classical ballet "Masquerade Ball", and a series of dances "Dance Forms of Many Lands". This latter group included a sequence of folk dances, a group of Estonian dances, and a modern dance "Malaguena" interpreted by Carol Barnes and Grant Strate.

Miss Taylor, a well-known Edmonton ballet teacher, instructed the club in the rudiments of ballet. She was assisted this year by Laine Mets. Miss Mets, an Estonian, came to Canada two years ago, and began teaching ballet here this year. In Europe she danced with a renowned ballet company, and also took training in modern dancing under Europe's most distinguished teacher. The club owes much to the work of these two people.

Two members of the club received awards for their work in promoting the club. Elaine Fitzpatrick received a musical "A" ring, and Grant Strate was given a musical "A" pin.

No major production was attempted last year because of lack of practice space. But the Ballet is back this year to stay. We look forward to greater improvement, and hope the club will prove an asset to the University and the community.

WALTER THOMPSON
PRESIDENT

Flying Club

President.....WALTER THOMPSON
Vice-President.....FRANK WIEDMAN
Secretary.....ALFRED PETERSON

One of the planes used by the Club

The newest and certainly the highest club on the campus was organized in November, 1949 with Walter Thompson as President.

This organization presents the best opportunity possible to "slip the surly bonds of earth" and rise far above other activities.

Working in affiliation with the Edmonton Flying Club has provided excellent training and equipment. At the general meetings films were shown and you can be sure the discussions were high brow!

The club consists of 24 members, six of whom obtained their pilot's licence this term. This is a fine achievement for this club and certainly a credit to the campus.

With a record membership of 554 students the E.U.S. completed most successfully the year 1949-50; for from its opening function early in October, right through to a grand finale in April, the professional, social and athletic activities of the E.U.S. kept the extra-curricular lives of education students on the move.

The Western Canadian Conference of Student Teachers, which serves to build and strengthen a fraternal spirit of professionalism in education undergraduates throughout the western provinces, was again the acme of professional activities for the year. Although the Conference itself was held in Saskatoon, the development of the briefs was an enlightening and enjoyable experience for both the delegates and those who stayed at home.

Two social functions which high-lighted the year were the informal Latin Quarter and the Ed formal. It was the Latin Quarter which transformed the spacious Varsity Gym into the left bank of gay Paris for an evening; and what an evening, with the Follies *et al!* In more sophisticated style the formal Dinner and Dance at the Mac., a bright spot in an otherwise cold and wintry January, kept hearts gay and purses empty.

Turning to the athletic scene we find three interfac. championship teams bearing the Education banner. These were the girls' basketball team, the soccer team, and the hockey team. But the biggest thrill of all was the trip to Calgary, where, although we came out on the short end of the score, spirits were far from downcast. Remember the question "How do you feel team?", and the famous reply, "Like a tiger coach!"

To a most willing and able executive, to all who in any way entered into E.U.S. activities, and to Dr. LaZerte, who has always been our firm supporter and willing advisor: we're glad you've made 1950 such a wonderful year.

Pharmacy Club

- President*.....AL BACKSTROM
- Vice-President*.....WAYNE McDOUGALL
- Secretary-Treasurer*.....YVONNE MOSLEY
- Social Convener*.....NANCY COLLINGE
- Press Rep*.....ELMER BERGH
- Athletic Rep*.....JACK HUMPHREYS

The Pharmacy Club, under the able leadership of Alvin Backstrom, had a very successful year. Activities included parties, dances and meetings for both business and social purposes. The "Big Finally" was the annual Pharmacy Ball, held at the MacDonald Hotel Ballroom on February 4th. The Club also gave support to the Pharmacy teams in interfaculty sports.

With Dr. M. J. Huston as director, the new Pharmacy Department has been rolling in high gear for the past year. It is a marvelous department and has been enjoyed, and will be enjoyed in the future years, by everyone in the Pharmacy Faculty.

The Pharmacy hockey team was a combination of Pharmacy and Dentistry students. The team did fairly well during the regular season's play but when the playoffs came around they turned on the heat ending up in the finals with Education for the Championship of the Interfaculty Hockey League.

Credit goes out to the boys of the team and to George Drummond, who very capably managed the team.

The Pharmacy Basketball team was a threat all season for the Interfaculty Basketball Championship, but, due to losing a couple of closely contested games, lost out this year. The boys must be congratulated for their good sportsmanship and for holding up the name of "Pharmacy". Cal Reber managed the basketball team.

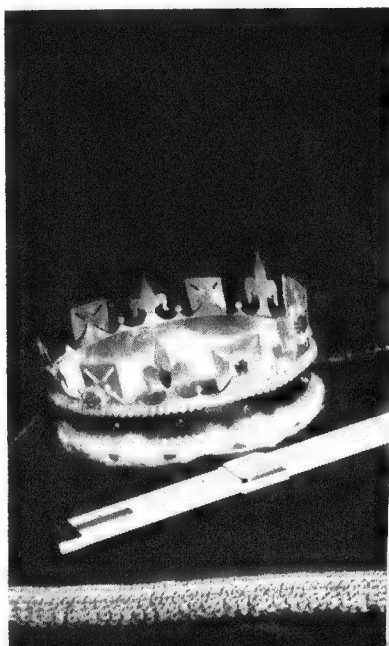

Besides the teams, honors were brought to Pharmacy by Nancy Collinge, Stu Munro, and Mike Shysh in badminton, cross-country track and wrestling respectively.

University Naval Training Division

Lieut. R. C. PHILLIPS, Lieut. G. E. ALLIN,
Lieut. W. J. EWASLUK

About 40 members of the U.N.T.D. spent the Summer of 1949 at Esquimalt, gaining valuable experience in naval affairs both on sea and shore. The H.M.C.S. Ontario went as far south as Santa Barbara and engineering cadets got good specialized training on this cruise.

In recognition of his Summer effort, Cadet W. J. Jackson was named the second best cadet in Canada. With him other senior cadets were recommended by an Officer Selection Board this Spring for their commissions in the Royal Canadian Navy Active Reserve.

Of the students joining U.N.T.D. in the Fall of 1949, 17 were recommended to Naval Service H.Q. in February for promotion to Cadet. They will be taking summer training at Esquimalt this Summer.

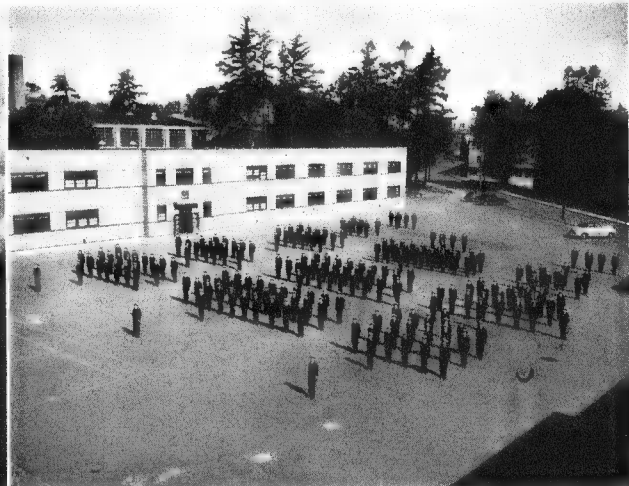

Student Union President T. H. Milton, a former cadet in the U.N.T.D. was confirmed in his commission as Lieutenant in March, 1950.

Two social events held during the Winter were most successful. A combined services dance held with the C.G.T.C. and U.R.T.F. and a formal mess dinner with the Wardroom officers of H.M.C.S. Nonsuch as guests highlighted the Winter's social activities. On Feb. 22nd the cadets paraded for the Guard of Honor at the opening of Parliament.

Thus the U.N.T.D. offers a well-rounded training scheme for all those interested in this activity.

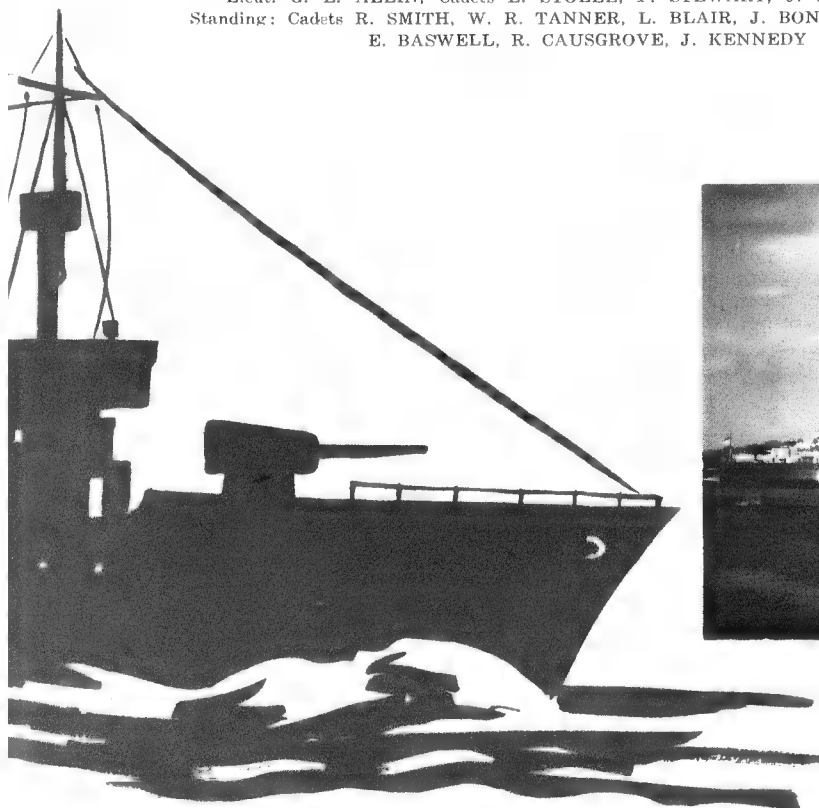

The finer points of gun drill

On parade! U.N.T.D. Barracks, Esquimalt, B.C.

Seated: (Left to Right) Cadets J. HENRY, Z. SADOWAY, L. STOLEE,
 Lieut. G. E. ALLIN, Cadets E. STOLEE, P. STEWART, J. MACDONALD.
 Standing: Cadets R. SMITH, W. R. TANNER, L. BLAIR, J. BOND, W. JACKSON,
 E. BASWELL, R. CAUSGROVE, J. KENNEDY

One of the ships used by cadets in training

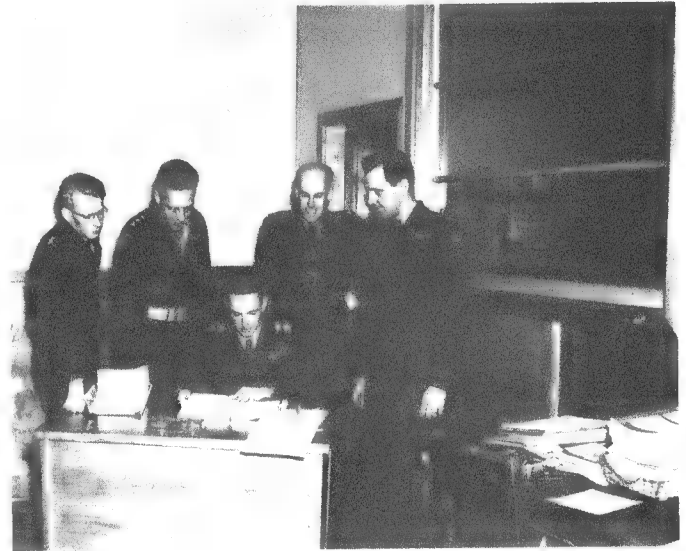

On Parade they're sharp too

The course is sound

Canadian Officers Training Corps

This year the Alberta contingent had 153 officer cadets on strength at such varied corps schools as Infantry, Armoured, Artillery, Engineers, Signals, Medical, Dental, Electrical and Mechanical Engineers, Ordnance, giving each cadet a wide choice of trades and of locations anywhere from Montreal to Chilliwack. Twenty-nine cadets qualified as Lieuts. in the Canadian Army (Active) and many others took qualifications in the Reserve Army. In April, 1950, 24 candidates were taken on strength raising the number of cadets attending the summer practical training to 79.

Seated: Lt. Col. D. M. HEALY, M.B.E.
 Standing: (Left to Right) Lt. J. P. Jorgensen, Capt. J. K. Heath, M.C.,
 Maj. J. E. Pineoek, Maj. H. J. Bishop, Missing: Maj. M. J. Egan

With the capable instruction of Major Egan and other officers of the contingent and Western Command, the cadets received lectures on Military Science, Military Geography, National Defence Tactics and other subjects during the winter in order to keep their knowledge of a fluid army organization fresh in their minds.

The C.O.T.C. and U.R.T.F. have combined to build a mess in the drill hall for the cadets of the two services. It provides a lounge and kitchenette facilities and should prove very popular, especially on evenings when there is a university dance in the drill hall.

The C.O.T.C. had two social functions during this winter; a combined services ball and a mess dinner both of which were very successful.

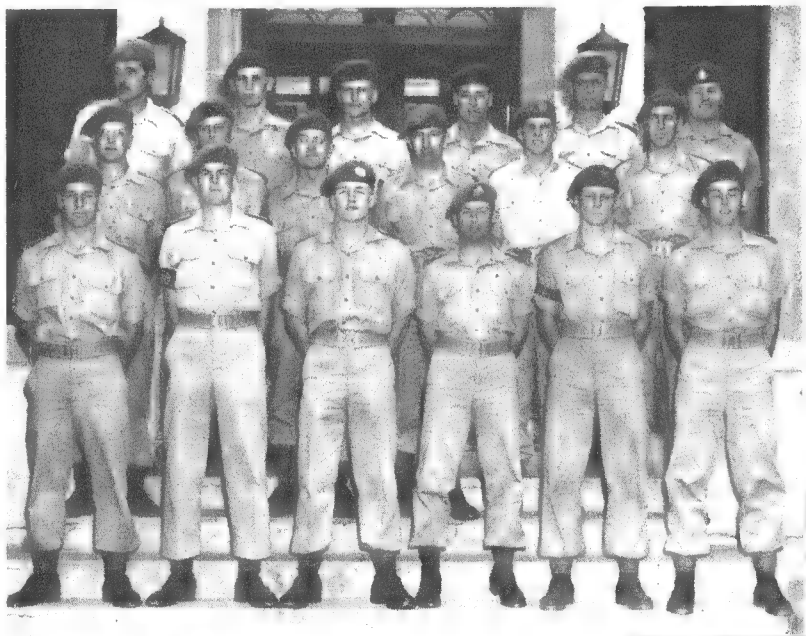

Alberta cadets have, in general, ranked among the top cadets in Canada during their Summer practical training and with the quality of applicants in consideration it is felt that the C.O.T.C. Alberta contingent will continue in its standards.

A Good Turnout, Men
Artillery Cadets at Shilo

But It's Not So Bad After All,
Pay Parade

University Reserve Training Flight

In the Fall of 1948 the R.C.A.F. University Flight was formed under the capable leadership of S/L L. E. Gads assisted by F/L B. Riddell and the Resident Staff Officer F/L J. Gillmore.

During the summer of 1949 an indoctrination course at Abbotsford, B.C. was attended by 25 members of the Alberta unit who were then posted to various R.C.A.F. units throughout Western Canada for more specialized training according to their choice of trade.

They agreed that it was an excellent summer profitably spent.

During the winter of 1949-50 lectures including subjects like Science of Air Power, Canadian Military Geography, National Defence and other special training were held. Also Air Force Cadets attended the combined services ball which was enjoyed greatly by all attending.

In future summers training will be carried at London for basic, then to either Clinton for radar and radio, Camp Borden for engine mechanics or Trenton for armament.

Among other branches of the Air Force open to University students are education, legal, aircrew, medical, supply, physical training, etc.

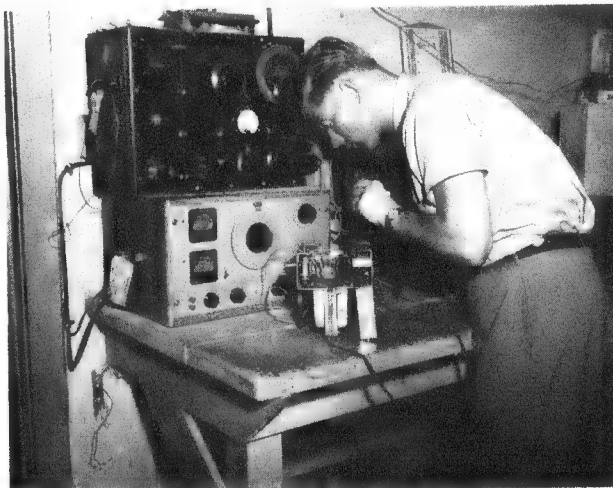

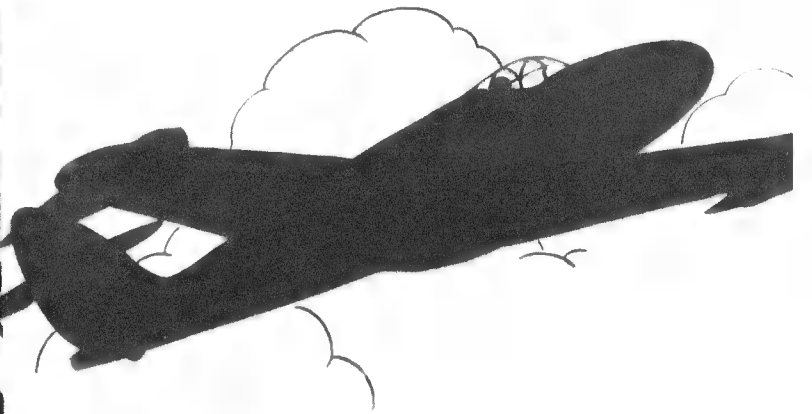

Indeed this scheme offers very good training and wages for all those interested in the Air Force as a career or as their summer employment.

Seated: S./L. L. E. GADS
 Standing: F./L. J. H. GILMOUR, D.F.C., D.F.M.;
 F./L. B. E. RIDDELL

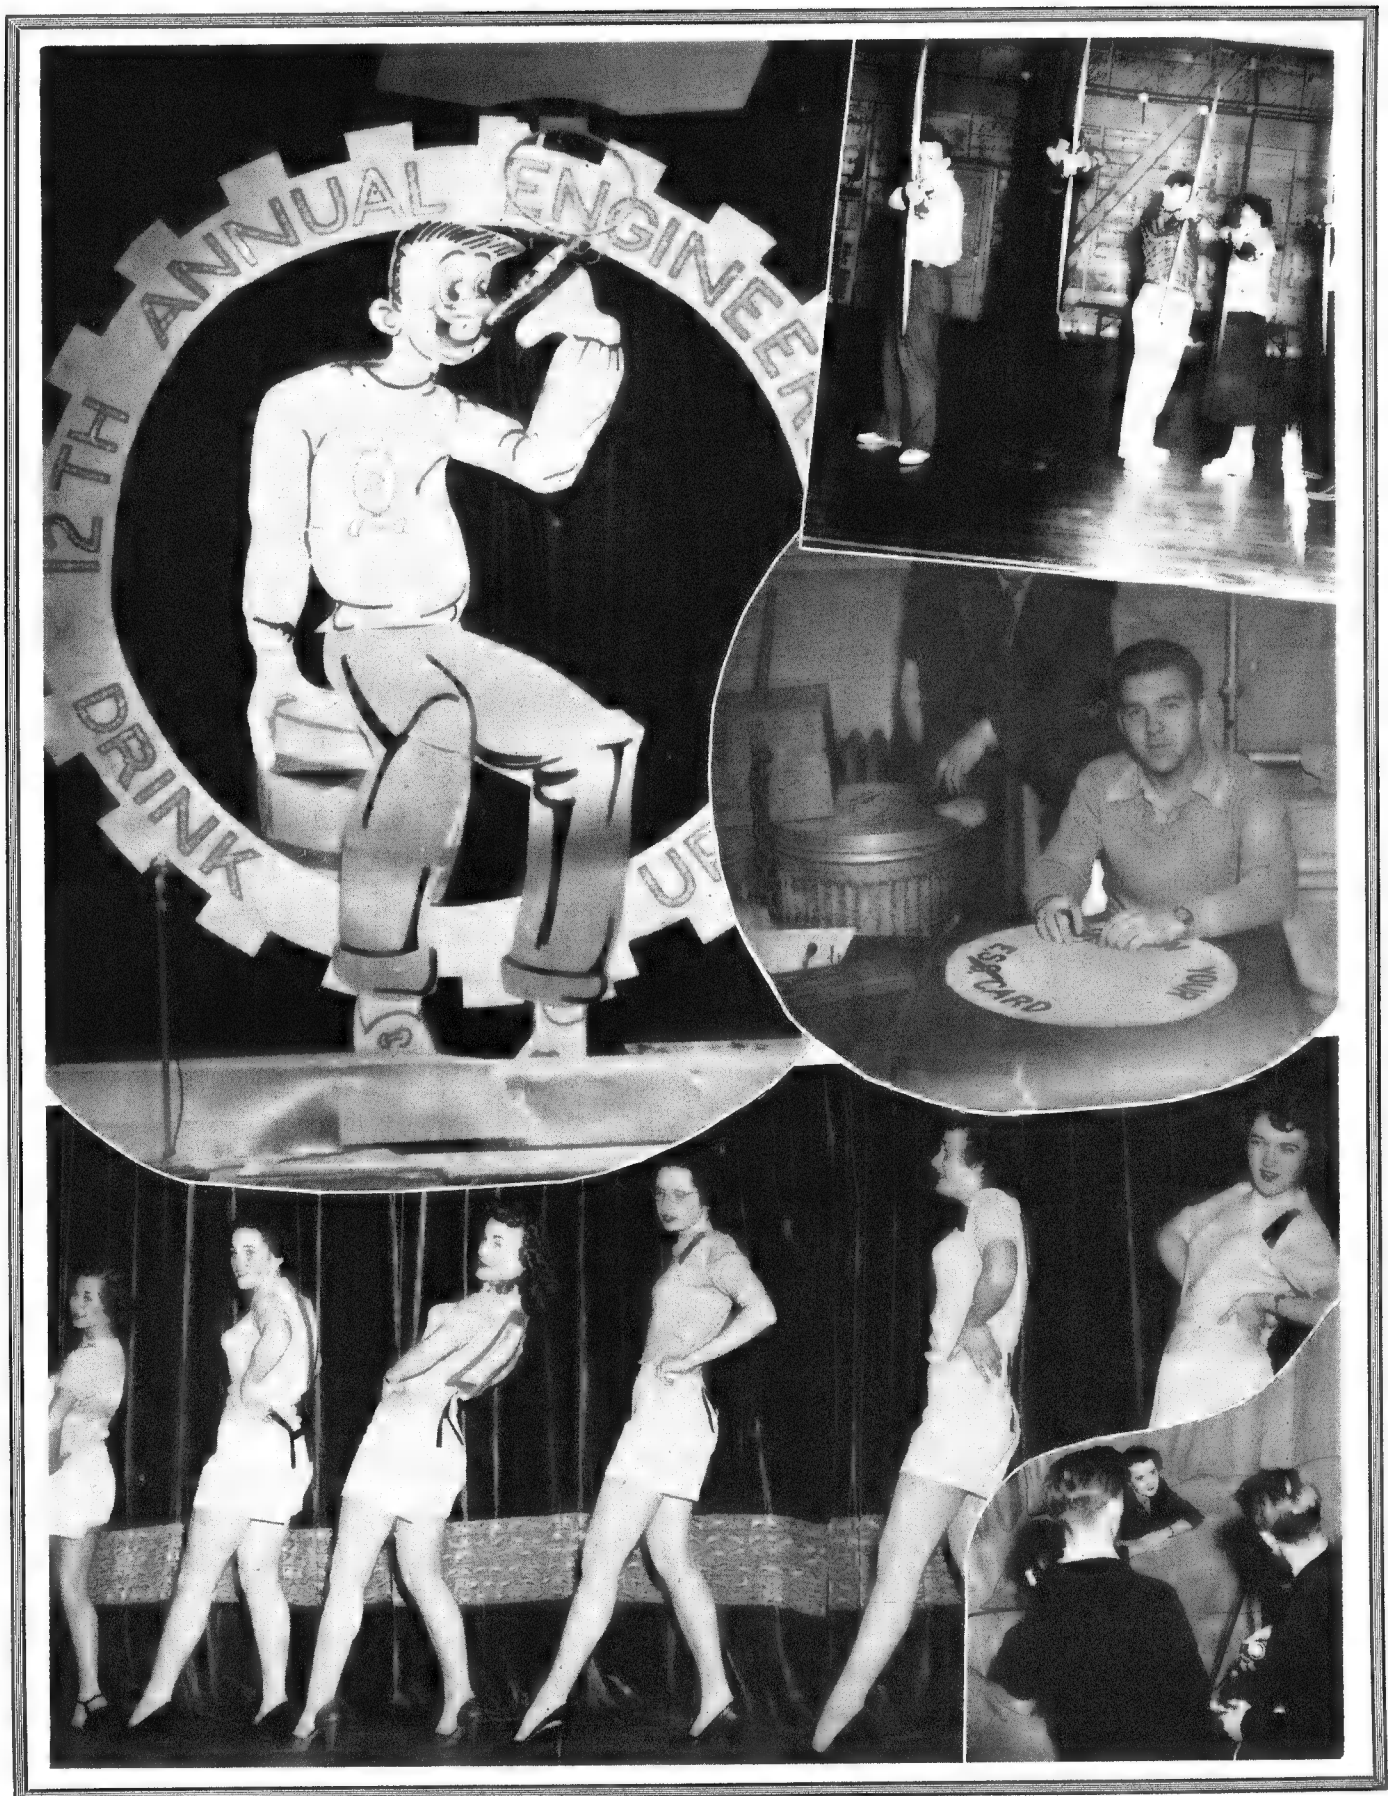

Cadets on the lathes. Looks interesting

Radio work too. And Complicated

Nice Balancing

Boxing and Wrestling

The Boxing and Wrestling Clubs, under the capable management of Arnold Holmes and Dr. Heath, finished up a very successful year with an almost clean sweep of the Inter-Assault-At-Arms with U. of S.

Attendance per club vaaried from 20 to 30 members during the year and the clubs, as well as performing admirably in the Assault, put on an excellent Elimination Show. At the termination of the year the Wrestling Club made a good will trip to the University of Washington at Pullman, and although losing out in the majority of the bouts, created a great deal of interest in our sports at that University.

From a beginning of some 300 students participating in Intramural athletics there has been a regular expansion in numbers and this past year saw 1,300 men participate.

Sports offered were: track and field, golf, tennis, cross country, basketball, volleyball, touch football and table tennis.

The program is rapidly becoming the largest participating activity on the campus and an increase to 1,500 students is expected for next year.

October 22

A goal attained.

To Confer 400 Degrees On Saturday

Four hundred degrees and diplomas will be presented Saturday afternoon at the annual fall convocation. Most of these will be in the Faculty of Education. Scholarships and other awards will also be presented to winners that have been announced since May.

With this convocation will be celebrated the forty-first anniversary of the University of Alberta. For this occasion all original members of convocation have been invited back to the campus. Of the 354, about 15 are expected to return.

The first convocation was held October, 1906, in the "Opera House" and a reception was held in the Odd Fellows Hall. "The citizens generally agreed that it was one of the most successful events ever held in Strathcona."

Three Degrees of Honorary Doctor of Laws will be presented to: A. Balmer Watt of Edmonton, James Fowler of Calgary, and L. E. Thomson, O.B.E. of Regina. Mr. Watt has been selected by the Senate as a representative of the original members of convocation.

The President shakes hands.

 requests the presence of
Frank Blanger
 at the
Musical Clock
 Formal Dance
 held in Athabasca Hall
 November the nineteenth
 nineteen and forty-nine
 nine o'clock

Nite Club Is Theme Soph Prom

"Musical Clock" annual sopho-
 more formal will be held on Satur-
 day, Nov. 19th, at 8:00 p.m., in Atha-
 baska Hall.
 Ticket sales for the dance will
 begin on Thursday in Arts and
 Education Buildings. Tickets will
 be \$1.75 per couple.
 Most of the sophomore dance will
 follow a night club theme. Buses
 will leave for downtown restaurants
 immediately following the dance.
 This is the first class dance with
 the exception of the annual senior
 dance that has been held on the
 campus since 1922. Last year on the
 Undergraduate Ball was held on the
 their place. The dance was highly
 successful. This year, however,
 the Students' Council decided to return
 to the old system of separate class
 dances.
 Patronesses at the dance are Mrs.
 H. T. Sperry, Mrs. Andrew Stev-
 ert, Mrs. Simpson and Miss Elin-
 or. Special guests will
 include Dr. and Mrs. Healy and
 Professor and Mrs. Ryan.

Oh! those wide
 open spaces.

Girls Avenge Pembina Raid; Wreck Havoc On Assiniboia

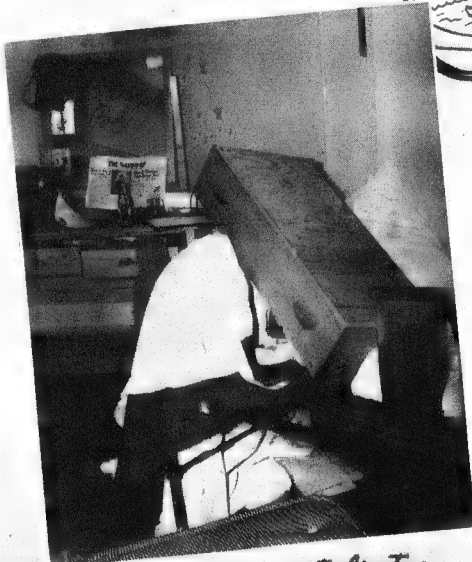

Situation has been reversed.
 For once the women have the
 upper hand. Wednesday evening
 while the boys from Assiniboia were
 unexpectantly eating dinner a num-
 ber of quiet but speedy girls took
 over the residence and retaliated for
 last Saturday's morning raid.
 All of them remembered Satur-
 day morning's raid awakening Sat-
 urday evening quite satisfying and
 overturned and a general shakedown
 was created as the marauders moved
 quickly through the building.
 Although a number of the girls
 were quite surprised at the general
 tidiness of the boys' bedrooms, they
 did not stop them from contributing
 their wrecking-crew act.
 The minutes was long enough to
 complete the necessary details and
 the girls left as quietly as they had
 come.
 Their beforehand organization care-
 fully paid off, and the question fre-
 quently asked the last few days has
 been answered.
 Yep, boys, now you know when
 the girls are going to raid Assini-
 boia.

A quick dip....

PHONE 25892 9737-109th STREET EDMONTON, ALBERTA

How's your I Q?

Most students could pass this test without too much trouble. But there are other tests in life which can be passed much more easily with the help of a financial reserve.

Why don't you start preparing today for tomorrow's opportunities and needs by opening a savings account at "My Bank."

BANK OF MONTREAL

Canada's First Bank

Edmonton Branch: G. ARNOLD HART, Manager.
118th Ave. Branch: CLIFFORD WALLER, Manager.
97th St. Branch: ARTHUR CLANFIELD, Manager.
South Side Branch: - ALEX BENNY, Manager.

WORKING WITH CANADIANS IN EVERY WALK OF LIFE SINCE 1817

**STUDENTS EVERYWHERE
ALL PREFER . . .**

Esterbrook

The world's most personal fountain pen is the student's favorite because it provides the exact point to suit his or her particular writing style. Yes, you'll find in Esterbrook the world's largest variety of points . . . from extra fine to extra broad . . . from flexible to rigid . . . for shorthand, accounting, making carbons and even for music writing. You choose the point that's right for you in every writing job.

**FIGHTERS
OF
FOOD SHORTAGE
...THE WORLD
OVER**

**Modern Massey-Harris Farm Machines are in Use and
in Demand in 72 Countries . . . To Meet the Increasing
Food Requirements of Expanding World Population**

In spite of surpluses on this continent . . . there remains a world-wide challenge to agriculturally-minded men . . . to produce enough food for the adequate nourishment of the two and a quarter billion people who inhabit the world. With population rapidly increasing, the evident need is greater production.

Facing up to the problem, Massey-Harris power-farming machines are opening up new land for cultivation, promoting better soil management and increasing the output of food per man-acre . . . in 72 countries of 6 continents. In some instances, they are changing the agriculture of the country from primitive to modern in one gigantic stride . . . helping make food available in areas where the need is greatest.

Courses will be offered in the following:

ARTS AND SCIENCE - **AGRICULTURE** - **COMMERCE**

Including Summer
Session

DENTISTRY - **EDUCATION** - **ENGINEERING**

(Edmonton and Calgary)
Including Summer
Session

Including Chemical, Civil,
Electrical, Mining, Irriga-
tion, Petroleum Engineer-
ing, Engineering Physics
and Engineering Geology

LAW - **HOUSEHOLD ECONOMICS**

PHARMACY - **MEDICINE** - **NURSING**

GRADUATE STUDIES

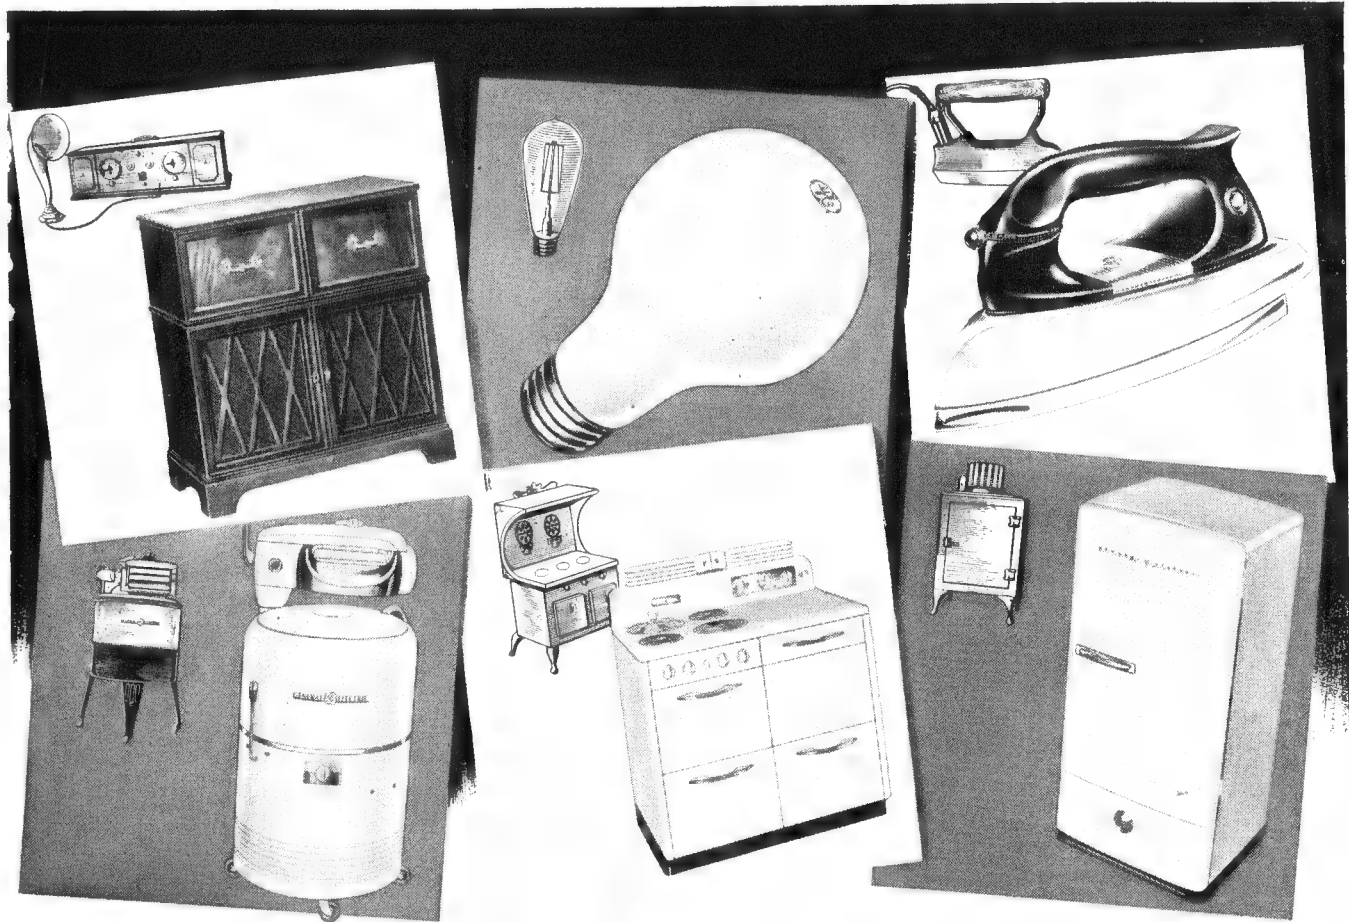

for Information Regarding Registration and Courses

Apply to The Registrar

University of Alberta, Edmonton

Nearly 60 years of working, learning, discovering

.. in a word .. **EXPERIENCE** .. is built into every **G-E** product

GENERAL ELECTRIC PRODUCTS

Each new generation of engineers at Canadian General Electric builds on the experience of the men who have worked and learned and discovered before them. Each new problem as it arises is solved in the light of thousands of past problems that have been met and conquered.

It is this vast background in every phase of electrical manufacturing—totalling nearly sixty years' experience—that provides your assurance of continuing quality in all products bearing the famous G-E monogram.

You can put your confidence in any G-E product...and in the company whose avowed policy is to continue to make more goods for more people at less cost.

A GOOD MAN TO KNOW

THIS IS AN INVITATION to every undergraduate, and particularly to those who, this year, will leave the University of Alberta to enter the world of business. It is an invitation to use the many services available to you through this institution.

You will quickly discover, as you grow older, that your local Royal Bank branch is far more than a place to deposit your funds, or to obtain loans for necessary and desirable

purposes. Your local branch is also a place to go for counsel when you wish to discuss in confidence financial problems of a private or business nature. Our local branch manager has a wealth of experience, valuable to you. He can, if necessary, call on the experience of countless specialists within the Royal Bank organization. May we suggest then, that you establish your permanent banking connection with us as soon as possible.

THE ROYAL BANK OF CANADA

Over 735 Branches in Canada and Abroad

Assets exceed \$2,334,000,000

TO BE THRIFTY

Is to save regularly a part of your
income or earnings

A Savings Account in this Bank
Will Help You

THE DOMINION BANK

Established 1871

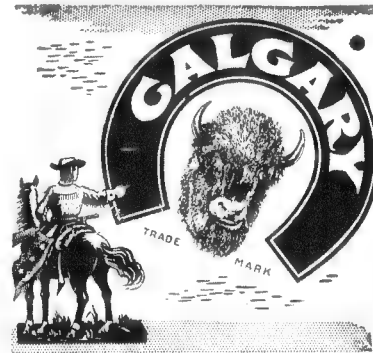

Main Branch: PETER KENNEDY,
10001 Jasper Avenue Manager.

Jasper Ave. & 103rd St. R. W. CLEMENT,
Branch Manager.

ART *in Alberta*

Since its first meeting in June, 1948, the Alberta Visual Arts Board, through the Cultural Activities Branch of the Department of Economic Affairs, has taken as its major objective the collection and circulation of exhibitions of paintings by Alberta Artists. Three such exhibitions, each made up of twenty-five oil paintings, have been circulated during the past year, showing the work of fifty-seven representative artists. Four cities and fifty-nine towns and villages have viewed one or more of these showings. The places visited range from Dawson Creek, B.C. in the Northwest to Milk River in the South . . . from Cadomin in the West to Amisk in the East.

Each group of paintings is carefully elected by a jury and a catalogue is supplied which gives a brief biography of the artist and a short account of the medium and technique used. This program has been made possible through the co-operation of the Alberta Society of Artists, the Calgary Artists' Society and the Alberta Branch, Federation of Canadian Artists. The Board has also been responsible for securing donations to a scholarship fund which has made possible six awards of \$100.00 each. Three will be given in art to students between 16 and 25, one each will be awarded in Ceramics, Leathercraft and Weaving, no age limits.

In all its activities the Board works towards the expansion and development of art both from a standpoint of its appreciation and as a recreational activity. The five members of the Alberta Visual Arts Board are: Professor H. G. Glyde, Edmonton, Chairman; Mrs. W. W. Wilson, Calgary; Mrs. P. J. A. Fleming, Edmonton; Mr. P. H. Henson, Lethbridge; Mr. E. E. Pools, Edmonton.

The Co-ordinator of Cultural Activities acts as Secretary to the Board.

To-morrow is YOURS...

Canada's history is blazoned with the names of great and humble men. Champlain, discoverer and founder of Quebec . . . Alexander MacKenzie, first conqueror of the Rockies, explorer of our Pacific Coast . . . the immortal Hudson's Bay Traders, who pushed across windswept prairies . . . brilliant men from Canada's past!

Today's students will push frontiers back still further. The Canadian Bank of Commerce, firm in the belief of the youth of this country, extends best wishes to the students of the University of Alberta . . . confidently awaits the vital role they will play in the world of tomorrow.

The Canadian Bank of Commerce

Best Wishes to the 1950 Graduate

Edmonton, the Gateway to the North, is located in the centre of Alberta, surrounded by rich farm land, vast coal and natural gas reserves, as well as an ever enlarging oil industry.

Railways, highways and air routes branch in every direction from this city to provide all the necessary transportation and communication for its increasing number of commercial and industrial enterprises.

Edmonton is well equipped educationally, for besides the University of Alberta, it has fifty-six schools for primary and secondary education and for the industrial arts.

Edmonton invites you to take advantage of its many opportunities and link your future with that of this ever enlarging centre.

The Douglas Printing Co. Ltd.
EDMONTON, ALBERTA

My Gratitude . . .

. And so another yearbook rolls off the press; another yearbook to be held by each student as a valuable memoir of his year's activities at the University of Alberta

I wish to thank the many who helped with this production of the *Evergreen and Gold*. Special thanks to Robert Currie, of the City of Edmonton, for his aid in selecting the Canadian Art used in this edition and for his ideas in presenting those selections in this book.

Many thanks also go to Stan Pazder, of Pazder Engraving; Bert Ratcliffe, of Douglas Printing, and Gerry LaRue, of the Institute of Applied Art for their ideas, criticisms, advice and helpful suggestions

I am indeed grateful to the members of the large yearbook staff for their fine co-operation in the production of this book. Everett McCrimmon as student editor took on much more than this responsibility and worked with ceaseless energy to do all he could on both the 1949 and the 1950 yearbooks. Tats Yamamoto, Frank Haley and other student photographers are to be praised for the quantity and excellent quality of photos turned out and for the many hours spent on assignments. Many thanks also go to Olga Kaleta and Marie Varchol for the many evenings, during the summer, which they contributed toward working on the yearbook. I would like to extend my appreciation to all other members of the staff for their work was indeed important.

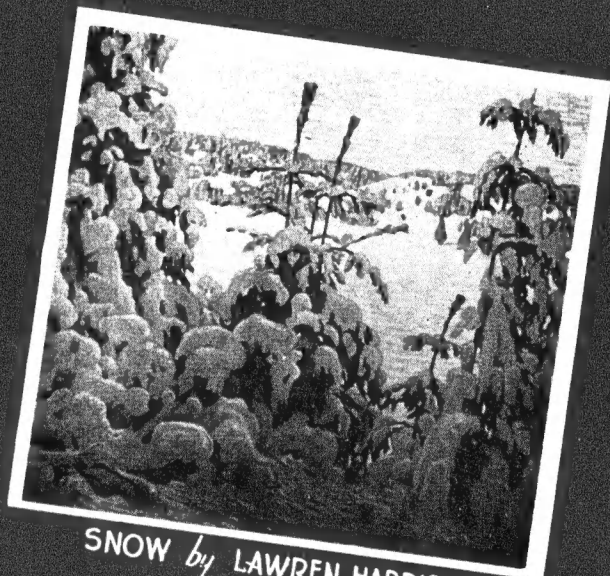

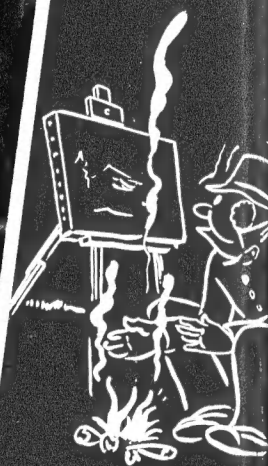

We hope you will be pleased with the contents of the yearbook and derive as much pleasure from it as we had in producing it for you.

C. J. IOANIDIS.
